## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2019 LEGISLATIVE SESSION**Analysis**

This bill establishes a performing arts theater license, a fair license, and a concert permit, and amends the recreational site license to allow sporting activities to be licensed.

The proposed performing arts theater license is to be held by a beverage dispensary license holder or restaurant or eating place license holder, to be used at a location where live performance events such as concerts, plays, and operas, are held. The proposed fee is \$1,250 for a two-year license.

The fair license may be held by a non-profit organization that is at least ten years old, allowing the fair licensee to serve beer and wine at a fair. Only one fair license may be issued per borough. The proposed fee is \$800 for a two-year license.

The concert permit allows holders of a recreational site license to sell beer or wine at a concert on the licensed premises of the recreational site license. The fee is \$50 per permit.

The definition of "recreational site" is changed from a location where certain types of sporting events occur to a location where certain types of sporting activities occur with a broadened list of examples.

Warning signs required in AS 04.21.065 are also required to be posted on the licensed premises of the performing arts theater license, the fair license, and a concert permit location.

The Alcohol and Marijuana Control Office does not anticipate significant fiscal impact from this legislation. License and permit issuance will be completed by existing staff. Changes in revenue are anticipated to be minimal.

A regulations package would be promulgated using existing budgeted authority to repeal the theater license in 3 AAC 304.695.
