Approved By:	Sana Efid, Administrative Services Director	Date:	02/21/20
Agency:	Office of Management and Budget		

FISCAL NOTE ANALYSIS

STATE OF ALASKA
2020 LEGISLATIVE SESSION

Analysis

This bill will provide an extension of authority to prescribe emergency psychotropic medications to the specified mid-level practitioners and will likely reduce the workload burden on psychiatrists and other physicians in psychiatric treatment settings.

Implementation of this bill is not anticipated to increase cost of services therefore this is a zero fiscal note.
