FISCAL NOTE ANALYSIS

STATE OF ALASKA
2020 LEGISLATIVE SESSION

Analysis

SB 190 will require anyone who wishes to advertise or otherwise identify as a dental specialist to hold a license as a specialist in that field, in addition to the general dentist license.

The Division of Corporations, Business, and Professional Licensing anticipates the following fiscal impact if the bill passes, but the division can absorb the expenses using existing authority:

Services: \$3.4 (printing, postage, and legal costs for regulations project to conform with statutory changes)

Professional licensing programs within the Division of Corporations, Business and Professional Licensing are funded by Receipt Supported Services (fund source 1156 Rcpt Svcs (DGF)). Licensing fees for each occupation are set per AS 08.01.065, so the total amount of revenue collected approximately equals the occupation's actual regulatory costs.
