FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2020 LEGISLATIVE SESSION

Analysis

SB 218 amends AS 29.65.450(c), which sets voting rules for the abolishment, replacement, or consolidation of service areas that provide road, fire protection, or parks and recreation services.

The legislation creates a new subsection stating that the voting rules do not apply “in a second class borough to abolishment of a road service area or consolidation of two or more road service areas... if two or more service area boards request service area consolidation for the purpose of creating a single new service area that includes all of the parcels from the consolidated service areas and no additional parcels.”

The Division of Community and Regional Affairs does not anticipate any fiscal impact from this legislation.
