## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2020 LEGISLATIVE SESSION

## Analysis

SB 241 extends the 30-day declaration of a public health disaster emergency that Governor Dunleavy issued on March 11, 2020 to September 1, 2020, providing:

- Flexibility to certain statutes that will require detailed professional licensing requirements;
- Extensions of deadlines for certain filings;
- Standing orders for the Chief Medical Officer; and
- Flexibility for corporations to hold shareholder meetings or issue proxy statements and notices via electronic means (to the extent allowed by the corporation's board).

SB 241 allows the Division of Corporations, Business, and Professional Licensing (CBPL) to:

- Grant professional and occupational licenses to individuals licensed in good standing in other jurisdictions, due to expire September 1, 2020 or on the date the governor determines the public health disaster emergency no longer exists;
- Allow medical and nursing professionals to perform telemedicine without a license in this jurisdiction; and
- Work with the Department of Public Safety and the Department of Health and Social Services to expedite fingerprinting for applicants for certain professions.

The Division of Corporations, Business, and Professional Licensing does not anticipate fiscal impact from this legislation.

*Professional licensing programs within the Division of Corporations, Business and Professional Licensing are funded by Receipt Supported Services, fund source 1156 Rcpt Svcs (DGF). Licensing fees for each occupation are set per AS 08.01.065 so the total amount of revenue collected approximately equals the occupation's actual regulatory costs.*
