FISCAL NOTE ANALYSIS

STATE OF ALASKA
2020 LEGISLATIVE SESSION**Analysis**

This bill would extend the Permanent Fund Dividend filing season until June 30, 2020. This would impact the division by continuing to accept applications through that date. The financial impact to the division is found in programming costs. The division estimates a total number of additional hours being 140 at a rate of \$120.00 per hour. This accounts for 1 hour per day from April 1 until June 30, 2020 for maintenance, as well as 30 hours to change the reports, and other hard coded end of filing dates. An additional 20 hours to pull out the Elections page and test the entire application again will be required.

Although the division would utilize some resources in advertising this to the public and addressing further questions on this change, the division believes that time to be negligible.

Costs:

Programming hours (140 hrs x \$120.00 per hour) = \$16,800.00 (in FY2020)
