3 "(d) Notwithstanding AS 36.30.310, during a public health emergency declared under
4 this section, when there exists a threat to public health, welfare, or safety, when a situation
5 exists that makes a procurement by competitive sealed bidding or competitive sealed
6 proposals impracticable or contrary to the public interest, or to protect public or private
7 property, the commissioner of health and social services may authorize the use of an
8 emergency procurement for a procurement related to the public health emergency. A written
9 determination by the commissioner of health and social services of the basis for the
10 emergency and for the selection of the particular contractor must be included in the contract
11 file. The written determination must include findings of fact that support the determination.
12 Except when there is insufficient time for the commissioner of health and social services to
13 make the written determination required by this section, the commissioner of health and social
14 services may not delegate the authority to make the determination."
