3 "TELEMEDICINE AND TELEHEALTH. (a) Notwithstanding any other provision of
4 law, a person licensed under AS 08.64.170 or AS 08.68.160 may provide treatment, render a
5 diagnosis, or prescribe, dispense, or administer a prescription, excluding a controlled
6 substance listed in AS 11.71.140 - 11.71.190, through telehealth as defined in
7 AS 47.05.270(e), without first conducting an in-person physical examination, if
8 (1) the licensee is in good standing to provide health care services in this state;
9 (2) the health care services provided are within the licensee's authorized scope
10 of practice;
11 (3) in the event that the licensee determines that the encounter will extend
12 beyond the scope of practice or scope of services described in this section, the licensee
13 advises the patient that the licensee is not authorized to provide the services to the patient,
14 recommends that the patient contact another health care provider licensed in this state, and
15 terminates the encounter."
