7 written notification to the attorney general and the consumer of a person who fails to
8 provide written verification of compliance.

9 (d) A person is not required to delete personal information under (c) of this

31 render impossible the achievement of the research; and

1 (B) the consumer has provided consent to the research;

2 (10) enable solely internal uses that are reasonably aligned with the
3 consumer's expectations, based on the consumer's relationship with the business; or

4 (11) comply with a legal obligation.

5 (e) A person may not disclose personal information that a business collected
6 from a consumer unless the personal information is disclosed in accordance with a
7 contract that requires the recipient to comply with a deletion request issued under
8 AS 45.48.800 - 45.48.945.

9 **Sec. 45.48.830. Request for disclosure of personal information sold or**
10 **disclosed for a business purpose or commercial purpose.** (a) A consumer may
11 request that a business that sold or disclosed the consumer's personal information for a

27 consumer's personal information or not to sell, share, or disclose particular categories
28 of the consumer's personal information.

29 (b) If a business collects personal information from a consumer online and the
30 consumer uses a global privacy control, the business shall treat the use of the global
31 privacy control as a valid request submitted by the consumer under (a) of this section

1 not to sell, share, or disclose the consumer's personal information. In this subsection,

2 (1) "global privacy control" includes a browser plug-in, privacy
3 setting, device setting, or other mechanism that communicates or signals the
4 consumer's choice not to have the consumer's personal information sold, shared, or
5 disclosed;

6 (2) "plug-in" means a piece of software code that enables a computer
7 application or program to perform an activity the application or program cannot do by
8 itself.

9 (c) A consumer may, as provided by regulation adopted under AS 45.48.915,
10 authorize another person solely to request that a business not sell, share, or disclose
11 the consumer's personal information, and a business shall comply with the request
12 received from the person for the consumer.

13 (d) A business shall respond to a consumer request under this section as
14 required by AS 45.48.850, unless the consumer later provides a clear and explicit
15 renunciation of the request. For one year after receiving a request under (a) - (c) of this
16 section, a business may not contact the consumer to request that the consumer
17 renounce the request.

18 (e) A business subject to this section may only use the personal information
19 collected from a consumer request under this section to comply with the request,
20 unless otherwise authorized by the consumer or by another provision of law.

21 **Sec. 45.48.840. Use and disclosure of precise geolocation data.** (a) A
22 business may use a consumer's precise geolocation data for other purposes than the
23 purpose disclosed under AS 45.48.800(a) if the consumer consents to the use. A
24 consumer who consents to the use of the consumer's precise geolocation data for other
25 purposes may, at any time, request that the business stop using the data for other
26 purposes. The consumer's consent must be in writing and in an agreement separate
27 from any other agreement for use, and the consumer must agree to the business's use
28 of the consumer's precise geolocation data for other purposes.

29 (b) Except as provided in (a) of this section, a business shall limit the use and
30 disclosure of a consumer's precise geolocation data to that necessary to provide goods
31 or services that a consumer requests and reasonably expects, or goods and services the

1 business reasonably expects the consumer will request.

2 (c) The provisions of AS 45.48.800 - 45.48.945 do not apply to a business that
3 uses a consumer's precise geolocation data if the consumer is an employee, contractor,
4 or vendor of the business.

5 **Sec. 45.48.845. Treatment of individuals under 18 years of age.** (a)
6 Notwithstanding any other provision of AS 45.48.800 - 45.48.945, a business that has
7 actual knowledge that a consumer is under 18 years of age may not disclose the
8 personal information of the consumer for a business purpose or commercial purpose,
9 use the consumer's precise geolocation data for a purpose other than to provide goods
10 or services that the consumer reasonably requests and expects, or sell or share the
11 consumer's personal information, unless the consumer consents to the disclosure, use,
12 or sale. If the consumer is

13 (1) at least 13 years of age, the consumer may give the consent; or

14 (2) under 13 years of age, a parent or guardian of a consumer must
15 give the consent.

16 (b) A business that recklessly disregards a reasonable likelihood that a
17 consumer is under 18 years of age is considered to have actual knowledge of the
18 consumer's age. In this subsection, "recklessly" has the meaning given in
19 AS 11.81.900(a).

20 (c) A business may not track or profile the personal information of an
21 individual who is under 18 years of age in order to provide to the individual a
22 commercial advertisement that is based on the personal information or computer
23 online activity of the individual.

24 **Sec. 45.48.850. Disclosure or deletion request; process.** (a) A business shall
25 respond to a consumer request under AS 45.48.820 or 45.48.830 by

26 (1) providing the requested information electronically to the consumer
27 in a portable and, to the extent technically feasible, readily useable format that allows
28 the consumer to transmit the information to another person without hindrance;

29 (2) if the information provided under (1) of this subsection is not in a
30 human-readable format, providing the requested information to the consumer in a
31 format that is easily readable by a human; and

1 (3) at the consumer's request, providing the requested information by
2 mail.

3 (b) A business subject to AS 45.48.800 - 45.48.945 shall designate at least two
4 methods for a consumer to submit a request under AS 45.48.820 - 45.48.835,
5 including, at a minimum, a toll-free telephone number and an electronic mail address.
6 If a business maintains an Internet website, the website must include an option to
7 submit requests under AS 45.48.820 - 45.48.835 on a public facing page. A designated
8 method for submitting requests may include a mailing address, electronic mail
9 address, Internet website, Internet website portal, toll-free telephone number, other
10 applicable contact information, or a new consumer-friendly means of contacting a
11 business as determined by regulation.

12 (c) A person may not charge a consumer a fee for performing a duty required
13 by AS 45.48.800 - 45.48.945.

14 (d) A person may only use the information provided by a consumer in a
15 request made under AS 45.48.820 - 45.48.835 to identify the consumer and comply
16 with the request.

17 (e) In response to a request made under AS 45.48.820 - 45.48.835, a business
18 shall

19 (1) promptly determine whether the request is a consumer request; a
20 business may not require that a consumer create an account with the business;
21 however, if the consumer maintains an account with the business, the business may
22 require the consumer to submit the request through the account;

23 (2) identify in writing the personal information subject to a disclosure
24 request; the information disclosed must

25 (A) cover the 12-month period preceding the request, or
26 another applicable period designated by the consumer;

27 (B) be designated by the most relevant category of personal
28 information;

29 (C) clearly separate information requested under AS 45.48.820
30 and 45.48.830;

31 (3) disclose and deliver the identified information in writing not later

1 than 45 days after receipt of the request;

2 (4) not later than 45 days after receipt of a deletion request, comply
3 with AS 45.48.825, and provide confirmation of compliance to the consumer.

4 (f) The time to respond to a disclosure or deletion request under (e)(3) and (4)
5 of this section may be extended once for an additional 45 days when reasonably
6 necessary. If the time to respond is extended, the business shall notify the consumer of
7 the extension.

8 (g) A business may disclose or provide confirmation of deletion of
9 information to the consumer by mail, through the consumer's account with the
10 business, or electronically at the consumer's request if the consumer does not have an
11 account with the business.

12 (h) Notwithstanding any other requirement in this section, if a consumer's
13 requests are manifestly unfounded or excessive, in particular because of the requests'
14 repetitive character, a business may either charge a reasonable fee, taking into account
15 the administrative costs of complying with the consumer's request, or refuse to act on
16 the request. The business shall notify the consumer of a decision to charge a fee or to
17 deny a request within the timeline provided under (e)(3) and (4) and (f) of this section.
18 The notification must completely explain the business's reason for finding the request
19 manifestly unfounded or excessive, including all pertinent facts. The business shall
20 bear the burden of proving that a consumer's request is manifestly unfounded or
21 excessive.

22 (i) A business is not required to respond to a disclosure or deletion request
23 under AS 45.48.825 or 45.48.830 if the consumer making the request has made two
24 consumer requests in the previous 365 days.

25 (j) A business is not required under this section to re-identify or otherwise link
26 data that, in the ordinary course of business, is not maintained in a manner that would
27 be considered personal information.

28 **Sec. 45.48.855. Third-party disclosure and handling of personal**
29 **information.** (a) A third party may not disclose personal information to another
30 person if the personal information was originally collected in violation of
31 AS 45.48.800 or 45.48.835. A third party that reasonably inquires into whether

1 personal information was collected in violation of AS 45.48.800 or 45.48.835, and
 2 reasonably concludes that information was not obtained in violation of AS 45.48.800
 3 or 45.48.835 may not be held liable for a violation under this section.

4 (b) A third party may not disclose a consumer's personal information for a
 5 business purpose or commercial purpose unless the third party receives written
 6 confirmation from the business that originally collected the personal information that
 7 the information was collected in compliance with AS 45.48.800 and 45.48.835.

8 **Sec. 45.48.860. Service provider obligations.** (a) A service provider may not

9 (1) retain, use, or disclose personal information received from a
 10 business for any purpose other than to perform the services specified in a written
 11 contract with the business;

12 (2) combine personal information received from a business with
 13 personal information the service provider receives from other sources, unless
 14 otherwise provided in regulation;

15 (3) disclose personal information received from a business to any other
 16 person without first

17 (A) receiving written consent of the business to disclose the
 18 personal information to the other person; and

19 (B) entering into a written contract with the other person that
 20 prohibits the other person from engaging in conduct prohibited under this
 21 section.

22 (b) A person who receives personal information from a service provider may
 23 not disclose the personal information to any other person.
