* **Sec. 16.** AS 47.30 is amended by adding new sections to read:

Sec. 47.30.707. Admission to and hold at a crisis stabilization center. (a)

Except as provided in (b) of this section, when a crisis stabilization center admits a respondent under AS 47.30.705, the crisis stabilization center may hold the respondent at the center for a period not to exceed 23 hours and 59 minutes. A mental health professional shall examine the respondent within three hours after the respondent arrives at the center.

(b) If the professional person in charge at the crisis stabilization center determines that there is probable cause to believe that the respondent has a mental illness and is suffering an acute behavioral health crisis and, as a result, is likely to cause serious harm to self or others or is gravely disabled, the respondent's acute behavioral health crisis will be resolved during admission to a crisis residential center or evaluation facility, and the respondent is not willing to voluntarily go to the crisis residential center or evaluation facility, a mental health professional may submit an ex parte application to the court under this section for detention at the crisis residential center or evaluation facility. Based on the application, if the court finds that probable cause exists to believe that the respondent has a mental illness and is suffering an acute behavioral health crisis and, as a result, is likely to cause serious harm to self or others or is gravely disabled and the respondent's acute behavioral health crisis will be resolved during admission to a crisis residential center or evaluation facility, and the respondent is not willing to voluntarily go to a crisis residential center or evaluation facility, the court shall grant the application and appoint an attorney to represent the respondent, and the respondent may remain at the crisis stabilization center until admission to a crisis residential center or evaluation facility. If the court finds no probable cause, the court shall order the respondent released.

Sec. 47.30.708. Admission to and detention at a crisis residential center. (a)

1 A respondent who is delivered to a crisis residential center for emergency examination
2 and treatment shall be examined and evaluated as to mental and physical condition by
3 a mental health professional within three hours after arrival at the facility.

4 (b) The mental health professional who performs the emergency examination
5 under (a) of this section may admit the respondent to the crisis residential center if the
6 mental health professional has probable cause to believe that

7 (1) the respondent has a mental illness and is suffering an acute
8 behavioral health crisis and, as a result, is likely to cause serious harm to self or others
9 or is gravely disabled; and

10 (2) the respondent's acute behavioral health crisis will be resolved
11 during admission to the crisis residential center.

12 (c) If a mental health professional admits a respondent to a crisis residential
13 center and a judicial order has not been obtained under AS 47.30.707, the mental
14 health professional may apply for an ex parte order under this section authorizing
15 admission to the crisis residential center. Based on the application, if the court finds
16 that probable cause exists to believe that the respondent has a mental illness and is
17 suffering an acute behavioral health crisis and, as a result, is likely to cause serious
18 harm to self or others or is gravely disabled, and the respondent's acute behavioral
19 health crisis will be resolved during admission to a crisis residential center, the court
20 shall grant the application and appoint an attorney to represent the respondent. If the
21 court finds no probable cause, the court shall order the respondent released.

22 (d) When, under (c) of this section, the court grants an ex parte application to
23 admit a respondent to a crisis residential center, the court shall set a time for a hearing,
24 to be held if needed within 72 hours after the respondent's arrival at the crisis
25 stabilization center or the crisis residential center, whichever is earlier, and the court
26 shall notify the respondent, the respondent's attorney, the respondent's guardian, if
27 any, the petitioner's attorney, if any, and the attorney general of the time and place of
28 the hearing. Computation of the 72-hour period at a crisis residential center before a
29 hearing does not include Saturdays, Sundays, and legal holidays, except that if the
30 exclusion of Saturdays, Sundays, and legal holidays from the computation of the 72-
31 hour period would result in the respondent being held for longer than 72 hours, the 72-

hour period ends at 5:00 p.m. on the next day that is not a Saturday, Sunday, or legal holiday. The hearing shall be held at the crisis residential center in person, by contemporaneous two-way video conference, or by teleconference, absent extraordinary circumstances. If a hearing is held by contemporaneous two-way video conference, only the court may record the hearing. In this subsection, "contemporaneous two-way video conference" means a conference among people at different places by means of transmitted audio and visual signals, using any communication technology that allows people at two or more places to interact simultaneously by way of two-way video and audio transmission.

(e) In the course of the 72-hour period, a petition for 30-day commitment or for seven-day detention at a crisis residential center may be filed in court. A petition for 30-day commitment must conform with AS 47.30.730. A petition for seven-day detention at a crisis residential center must be signed by two mental health professionals, one of whom must be a physician, who have examined the respondent. A copy of the petition shall be served on the respondent, the respondent's attorney, and the respondent's guardian, if any, before the hearing. The petition for detention must

(1) allege that the respondent is suffering an acute behavioral health crisis and, as a result, is likely to cause serious harm to self or others or is gravely disabled;

(2) allege that resolution of the respondent's acute behavioral health crisis is likely during the admission to the crisis residential center;

(3) allege that the respondent has been advised of the need for, but has not accepted, voluntary treatment, and request that the court order the respondent to be detained at the crisis residential center for up to seven days following the respondent's arrival at the crisis stabilization center or the crisis residential center, whichever is earlier;

(4) list prospective witnesses; and

(5) list specific facts and describe behavior of the respondent supporting the allegations in (1) - (3) of this subsection.

(f) If, at a hearing held under (d) of this section, the court reviews a petition for 30-day commitment, the court shall hold the next hearing in accordance with

1 AS 47.30.735. If the court grants the petition for 30-day commitment, the respondent
 2 may remain at the crisis residential center until admission to a designated treatment
 3 facility.

4 (g) If, at a hearing held under (d) of this section, the court reviews a petition
 5 for seven-day detention at a crisis residential center, the respondent has the rights
 6 listed in AS 47.30.735(b)(1) - (9). At the conclusion of a hearing on a petition for
 7 seven-day detention at a crisis residential center, the court

8 (1) may order the respondent detained at the crisis residential center
 9 for up to seven days following the respondent's arrival at the crisis stabilization center
 10 or the crisis residential center, whichever is earlier, if the court finds there is probable
 11 cause to believe that

12 (A) the respondent is suffering an acute behavioral health crisis
 13 and, as a result, is likely to cause serious harm to self or others or is gravely
 14 disabled; and

15 (B) the respondent's acute behavioral health crisis will be
 16 resolved during admission to the crisis residential center;

17 (2) shall order the respondent released, if the court finds no probable
 18 cause.

19 **Sec. 47.30.709. Rights of respondents at crisis stabilization centers and**
 20 **crisis residential centers; psychotropic medication; time.** (a) If at any time during a
 21 respondent's hold at a crisis stabilization center or detention at a crisis residential
 22 center the professional person in charge determines that the respondent does not meet
 23 the standard for a hold or detention, the respondent may no longer be held or detained.
 24 The professional person in charge shall notify the petitioner and the court, if
 25 applicable.

26 (b) When a respondent is held at a crisis stabilization center or detained at a
 27 crisis residential center, the respondent has the rights identified in AS 47.30.725 and,

28 (1) if an adult, the rights identified under AS 47.30.817 - 47.30.865;
 29 and

30 (2) if a minor, the rights identified in AS 47.30.700 - 47.30.865.

31 (c) A respondent subject to an involuntary stabilization hold or detention at a

1 crisis stabilization center or crisis residential center may, at any time, convert to
2 voluntary status if the professional person in charge agrees that

3 (1) the respondent is an appropriate patient for voluntary status; and

4 (2) the conversion is made in good faith.

5 (d) A crisis stabilization center or crisis residential center may administer
6 psychotropic medication to an involuntarily held or detained respondent only in a
7 manner that is consistent with AS 47.30.838.

8 (e) Computation of a 23-hour and 59-minute holding time at a crisis
9 stabilization center includes Saturdays, Sundays, and legal holidays, but does not
10 include any period of time necessary to transport a respondent to a crisis stabilization
11 center. Computation of a seven-day detention at a crisis residential center includes
12 Saturdays, Sundays, and legal holidays, but does not include any period of time
13 necessary to transport a respondent to a crisis residential center.

17 DELIVERY TO A CRISIS STABILIZATION CENTER AS DEFINED IN
18 AS 47.32.900,] for emergency examination and treatment shall be examined and
19 evaluated as to mental and physical condition by a mental health professional and by a
20 physician within 24 hours after arrival at the facility. [A RESPONDENT WHO IS
21 DELIVERED UNDER AS 47.30.705 TO A CRISIS STABILIZATION CENTER
22 SHALL BE EXAMINED BY A MENTAL HEALTH PROFESSIONAL AS
23 DEFINED IN AS 47.30.915 WITHIN THREE HOURS AFTER ARRIVING AT THE
24 CENTER.]

25 (b) If the mental health professional who performs the emergency examination
26 **under (a) of this section** has reason to believe that the respondent is [(1)] mentally ill
27 and that condition causes the respondent to be gravely disabled or to present a
28 likelihood of serious harm to self or others, and **the respondent** [(2)] is in need of care
29 or treatment, the mental health professional may

30 **(1) admit the respondent to a crisis residential center;**

6 (c) If a mental health professional hospitalizes a respondent or arranges for the
 7 hospitalization of a respondent under (b) of this section and a judicial order has not
 8 been obtained under AS 47.30.700, the mental health professional shall apply for an
 9 ex parte order authorizing the hospitalization for evaluation.

10 (d) If a mental health professional readmits a respondent to an evaluation
 11 facility after a discharge from a subacute mental health facility, the respondent is not
 12 willing to remain at the evaluation facility on a voluntary basis, and a judicial order
 13 has not been obtained under AS 47.30.700, the mental health professional shall apply
 14 for an ex parte order authorizing hospitalization for evaluation. Unless otherwise
 15 ordered by the court upon receiving the application for an ex parte order, the
 16 respondent shall remain at the evaluation facility until the court issues a decision on
 17 the application of an ex parte order.

18 * **Sec. 19.** AS 47.30.715 is amended to read:

 4 include Saturdays, Sundays, legal holidays, or any period of time necessary to
 5 transport the respondent to the treatment facility, except that if the exclusion of
 6 Saturdays, Sundays, and legal holidays from the computation of a 72-hour
 7 evaluation period or 48-hour detention period would result in the respondent
 8 being held for longer than 72 hours or 48 hours, as applicable, the period ends at
 9 5:00 p.m. on the next day that is not a Saturday, Sunday, or legal holiday;

 22 AS 47.30.660 - 47.30.915, the relevant commitment period shall be extended for a
 23 period of time equal to the respondent's absence if written notice of absence is
