3 **BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

4 **\* Section 1.** AS 08.68.700(a) is amended to read:

5 (a) A registered nurse licensed under this chapter may make a determination  
6 and pronouncement of death of a person under the following circumstances:

7 (1) an attending physician, **an attending advanced practice**  
8 **registered nurse, or an attending physician assistant** has documented in the  
9 person's medical or clinical record that the person's death is anticipated due to illness,  
10 infirmity, or disease; this prognosis is valid for purposes of this section for **not** [NO]  
11 more than 120 days from the date of the documentation;

12 (2) at the time of documentation under (1) of this subsection, the  
13 physician, **the advanced practice registered nurse, or the physician assistant**  
14 authorized in writing a specific registered nurse or nurses to make a determination and

1 pronouncement of the person's death; however, if the person is in a health care facility  
 2 and the health care facility has complied with (d) of this section, the physician, **the**  
 3 **advanced practice registered nurse, or the physician assistant** may authorize all  
 4 nurses employed by the facility to make a determination and pronouncement of the  
 5 person's death.

6 \* **Sec. 2.** AS 08.68.700(b) is amended to read:

7 (b) A registered nurse who has determined and pronounced death under this  
 8 section shall document the clinical criteria for the determination and pronouncement in  
 9 the person's medical or clinical record and notify the physician, **the advanced**  
 10 **practice registered nurse, or the physician assistant** who determined that the  
 11 prognosis for the patient was for an anticipated death. The registered nurse shall sign  
 12 the death certificate, which must include the

- 13 (1) name of the deceased;
- 14 (2) presence of a contagious disease, if known; and
- 15 (3) date and time of death.

16 \* **Sec. 3.** AS 08.68.700(c) is amended to read:

17 (c) Except as otherwise provided under AS 18.50.230, a physician **or**  
 18 **physician assistant** licensed under AS 08.64 **or an advanced practice registered**  
 19 **nurse licensed under this chapter** shall certify a death determined under (b) of this  
 20 section within 24 hours after the pronouncement by the registered nurse.

21 \* **Sec. 4.** AS 08.68.700(d) is amended to read:

22 (d) In a health care facility in which a physician, **an advanced practice**  
 23 **registered nurse, or a physician assistant** chooses to proceed under (a) of this  
 24 section, written policies and procedures shall be adopted that provide for the  
 25 determination and pronouncement of death by a registered nurse **authorized by a**  
 26 **physician, an advanced practice registered nurse, or a physician assistant** under  
 27 this section. A registered nurse employed by a health care facility **and authorized by**  
 28 **a physician, an advanced practice registered nurse, or a physician assistant to**  
 29 **make a determination and pronouncement of death under this section** may not  
 30 make **the** [A] determination or pronouncement [OF DEATH UNDER THIS  
 31 SECTION] unless the facility has written policies and procedures implementing and

1 ensuring compliance with this section.

2 \* **Sec. 5.** AS 13.52.065(a) is amended to read:

3 (a) A physician, an advanced practice registered nurse, or a physician  
4 assistant may issue a do not resuscitate order for a patient of the physician, the  
5 advanced practice registered nurse, or the physician assistant. The physician, the  
6 advanced practice registered nurse, or the physician assistant shall document the  
7 grounds for the order in the patient's medical file.

8 \* **Sec. 6.** AS 13.52.065(c) is amended to read:

9 (c) The department shall develop standardized designs and symbols for do not  
10 resuscitate identification cards, forms, necklaces, and bracelets that signify, when  
11 carried or worn, that the carrier or wearer is an individual for whom a physician, an  
12 advanced practice registered nurse, or a physician assistant has issued a do not  
13 resuscitate order.

14 \* **Sec. 7.** AS 13.52.065(d) is amended to read:

15 (d) A health care provider other than a physician, an advanced practice  
16 registered nurse, or a physician assistant shall comply with the protocol adopted  
17 under (b) of this section for do not resuscitate orders when the health care provider is  
18 presented with a do not resuscitate identification, an oral do not resuscitate order  
19 issued directly by a physician, an advanced practice registered nurse, or a  
20 physician assistant if the applicable hospital allows oral do not resuscitate orders, or a  
21 written do not resuscitate order entered on and as required by a form prescribed by the  
22 department.

23 \* **Sec. 8.** AS 13.52.065(f) is amended to read:

24 (f) A do not resuscitate order may not be made ineffective unless a physician,  
25 an advanced practice registered nurse, or a physician assistant revokes the do not  
26 resuscitate order, a patient for whom the order is written and who has capacity  
27 requests that the do not resuscitate order be revoked, or the patient for whom the order  
28 is written is under 18 years of age and the parent or guardian of the patient requests  
29 that the do not resuscitate order be revoked. Any physician, advanced practice  
30 registered nurse, or physician assistant of a patient for whom a do not resuscitate  
31 order is written may revoke the do not resuscitate order if the person for whom the

1 order is written requests that the physician, the advanced practice registered nurse,  
 2 or the physician assistant revoke the do not resuscitate order.

3 \* **Sec. 9.** AS 13.52.080(a) is amended to read:

4 (a) A health care provider or health care institution that acts in good faith and  
 5 in accordance with generally accepted health care standards applicable to the health  
 6 care provider or institution is not subject to civil or criminal liability or to discipline  
 7 for unprofessional conduct for

8 (1) providing health care information in good faith under  
 9 AS 13.52.070;

10 (2) complying with a health care decision of a person based on a good  
 11 faith belief that the person has authority to make a health care decision for a patient,  
 12 including a decision to withhold or withdraw health care;

13 (3) declining to comply with a health care decision of a person based  
 14 on a good faith belief that the person then lacked authority;

15 (4) complying with an advance health care directive and assuming in  
 16 good faith that the directive was valid when made and has not been revoked or  
 17 terminated;

18 (5) participating in the withholding or withdrawal of cardiopulmonary  
 19 resuscitation under the direction or with the authorization of a physician, an advanced  
 20 practice registered nurse, or a physician assistant or upon discovery of do not  
 21 resuscitate identification upon an individual;

22 (6) causing or participating in providing cardiopulmonary resuscitation  
 23 or other life-sustaining procedures

24 (A) under AS 13.52.065(e) when an individual has made an  
 25 anatomical gift;

26 (B) because an individual has made a do not resuscitate order  
 27 ineffective under AS 13.52.065(f) or another provision of this chapter; or

28 (C) because the patient is a woman of childbearing age and  
 29 AS 13.52.055 applies; or

30 (7) acting in good faith under the terms of this chapter or the law of  
 31 another state relating to anatomical gifts.

1 \* **Sec. 10.** AS 13.52.100(c) is amended to read:

2 (c) An individual who is a qualified patient, including an individual for whom  
 3 a physician, **an advanced practice registered nurse, or a physician assistant** has  
 4 issued a do not resuscitate order, has the right to make a decision regarding the use of  
 5 cardiopulmonary resuscitation and other life-sustaining procedures as long as the  
 6 individual is able to make the decision. If an individual who is a qualified patient,  
 7 including an individual for whom a physician, **advanced practice registered nurse,**  
 8 **or physician assistant** has issued a do not resuscitate order, is not able to make the  
 9 decision, the protocol adopted under AS 13.52.065 for do not resuscitate orders  
 10 governs a decision regarding the use of cardiopulmonary resuscitation and other life-  
 11 sustaining procedures.

12 \* **Sec. 11.** AS 13.52.300 is amended to read:

13 **Sec. 13.52.300. Optional form.** The following sample form may be used to  
 14 create an advance health care directive. The other sections of this chapter govern the  
 15 effect of this or any other writing used to create an advance health care directive. This  
 16 form may be duplicated. This form may be modified to suit the needs of the person, or  
 17 a different form that complies with this chapter may be used, including the mandatory  
 18 witnessing requirements:

19 ADVANCE HEALTH CARE DIRECTIVE

20 Explanation

21 You have the right to give instructions about your own health  
 22 care to the extent allowed by law. You also have the right to name  
 23 someone else to make health care decisions for you to the extent  
 24 allowed by law. This form lets you do either or both of these things. It  
 25 also lets you express your wishes regarding the designation of your  
 26 health care provider. If you use this form, you may complete or modify  
 27 all or any part of it. You are free to use a different form if the form  
 28 complies with the requirements of AS 13.52.

29 Part 1 of this form is a durable power of attorney for health  
 30 care. A "durable power of attorney for health care" means the  
 31 designation of an agent to make health care decisions for you. Part 1

1 lets you name another individual as an agent to make health care  
 2 decisions for you if you do not have the capacity to make your own  
 3 decisions or if you want someone else to make those decisions for you  
 4 now even though you still have the capacity to make those decisions.  
 5 You may name an alternate agent to act for you if your first choice is  
 6 not willing, able, or reasonably available to make decisions for you.  
 7 Unless related to you, your agent may not be an owner, operator, or  
 8 employee of a health care institution where you are receiving care.

9 Unless the form you sign limits the authority of your agent,  
 10 your agent may make all health care decisions for you that you could  
 11 legally make for yourself. This form has a place for you to limit the  
 12 authority of your agent. You do not have to limit the authority of your  
 13 agent if you wish to rely on your agent for all health care decisions that  
 14 may have to be made. If you choose not to limit the authority of your  
 15 agent, your agent will have the right, to the extent allowed by law, to

16 (a) consent or refuse consent to any care, treatment, service, or  
 17 procedure to maintain, diagnose, or otherwise affect a physical or  
 18 mental condition, including the administration or discontinuation of  
 19 psychotropic medication;

20 (b) select or discharge health care providers and institutions;

21 (c) approve or disapprove proposed diagnostic tests, surgical  
 22 procedures, and programs of medication;

23 (d) direct the provision, withholding, or withdrawal of artificial  
 24 nutrition and hydration and all other forms of health care; and

25 (e) make an anatomical gift following your death.

26 Part 2 of this form lets you give specific instructions for any  
 27 aspect of your health care to the extent allowed by law, except you may  
 28 not authorize mercy killing, assisted suicide, or euthanasia. Choices are  
 29 provided for you to express your wishes regarding the provision,  
 30 withholding, or withdrawal of treatment to keep you alive, including  
 31 the provision of artificial nutrition and hydration, as well as the

1 provision of pain relief medication. Space is provided for you to add to  
 2 the choices you have made or for you to write out any additional  
 3 wishes.

4 Part 3 of this form lets you express an intention to make an  
 5 anatomical gift following your death.

6 Part 4 of this form lets you make decisions in advance about  
 7 certain types of mental health treatment.

8 Part 5 of this form lets you designate a physician to have  
 9 primary responsibility for your health care.

10 After completing this form, sign and date the form at the end  
 11 and have the form witnessed by one of the two alternative methods  
 12 listed below. Give a copy of the signed and completed form to your  
 13 physician, to any other health care providers you may have, to any  
 14 health care institution at which you are receiving care, and to any health  
 15 care agents you have named. You should talk to the person you have  
 16 named as your agent to make sure that the person understands your  
 17 wishes and is willing to take the responsibility.

18 You have the right to revoke this advance health care directive  
 19 or replace this form at any time, except that you may not revoke this  
 20 declaration when you are determined not to be competent by a court, by  
 21 two physicians, at least one of whom shall be a psychiatrist, or by both  
 22 a physician and a professional mental health clinician. In this advance  
 23 health care directive, "competent" means that you have the capacity

24 (1) to assimilate relevant facts and to appreciate and  
 25 understand your situation with regard to those facts; and

26 (2) to participate in treatment decisions by means of a  
 27 rational thought process.

## 28 PART 1

### 29 DURABLE POWER OF ATTORNEY FOR 30 HEALTH CARE DECISIONS

31 (1) DESIGNATION OF AGENT. I designate the

1 following individual as my agent to make health care decisions for me:

2 \_\_\_\_\_  
3 (name of individual you choose as agent)

4 \_\_\_\_\_  
5 (address) (city) (state) (zip code)

6 \_\_\_\_\_  
7 (home telephone) (work telephone)

8 OPTIONAL: If I revoke my agent's authority or if my agent is  
9 not willing, able, or reasonably available to make a health care decision  
10 for me, I designate as my first alternate agent

11 \_\_\_\_\_  
12 (name of individual you choose as first alternate agent)

13 \_\_\_\_\_  
14 (address) (city) (state) (zip code)

15 \_\_\_\_\_  
16 (home telephone) (work telephone)

17 OPTIONAL: If I revoke the authority of my agent and first  
18 alternate agent or if neither is willing, able, or reasonably available to  
19 make a health care decision for me, I designate as my second alternate  
20 agent

21 \_\_\_\_\_  
22 (name of individual you choose as second alternate agent)

23 \_\_\_\_\_  
24 (address) (city) (state) (zip code)

25 \_\_\_\_\_  
26 (home telephone) (work telephone)

27 (2) AGENT'S AUTHORITY. My agent is authorized  
28 and directed to follow my individual instructions and my other wishes  
29 to the extent known to the agent in making all health care decisions for  
30 me. If these are not known, my agent is authorized to make these  
31 decisions in accordance with my best interest, including decisions to

1 provide, withhold, or withdraw artificial hydration and nutrition and  
2 other forms of health care to keep me alive, except as I state here:

3 \_\_\_\_\_  
4 \_\_\_\_\_  
5 \_\_\_\_\_

6 (Add additional sheets if needed.)

7 Under this authority, "best interest" means that the benefits to you  
8 resulting from a treatment outweigh the burdens to you resulting from  
9 that treatment after assessing

10 (A) the effect of the treatment on your physical,  
11 emotional, and cognitive functions;

12 (B) the degree of physical pain or discomfort  
13 caused to you by the treatment or the withholding or withdrawal  
14 of the treatment;

15 (C) the degree to which your medical condition,  
16 the treatment, or the withholding or withdrawal of treatment,  
17 results in a severe and continuing impairment;

18 (D) the effect of the treatment on your life  
19 expectancy;

20 (E) your prognosis for recovery, with and  
21 without the treatment;

22 (F) the risks, side effects, and benefits of the  
23 treatment or the withholding of treatment; and

24 (G) your religious beliefs and basic values, to  
25 the extent that these may assist in determining benefits and  
26 burdens.

27 (3) WHEN AGENT'S AUTHORITY BECOMES  
28 EFFECTIVE. Except in the case of mental illness, my agent's authority  
29 becomes effective when my primary physician determines that I am  
30 unable to make my own health care decisions unless I mark the  
31 following box. In the case of mental illness, unless I mark the

1 following box, my agent's authority becomes effective when a court  
 2 determines I am unable to make my own decisions, or, in an  
 3 emergency, if my primary physician or another health care provider  
 4 determines I am unable to make my own decisions. If I mark this box [  
 5 ], my agent's authority to make health care decisions for me takes effect  
 6 immediately.

7 (4) AGENT'S OBLIGATION. My agent shall make  
 8 health care decisions for me in accordance with this durable power of  
 9 attorney for health care, any instructions I give in Part 2 of this form,  
 10 and my other wishes to the extent known to my agent. To the extent  
 11 my wishes are unknown, my agent shall make health care decisions for  
 12 me in accordance with what my agent determines to be in my best  
 13 interest. In determining my best interest, my agent shall consider my  
 14 personal values to the extent known to my agent.

15 (5) NOMINATION OF GUARDIAN. If a guardian of  
 16 my person needs to be appointed for me by a court, I nominate the  
 17 agent designated in this form. If that agent is not willing, able, or  
 18 reasonably available to act as guardian, I nominate the alternate agents  
 19 whom I have named under (1) above, in the order designated.

## 20 PART 2

### 21 INSTRUCTIONS FOR HEALTH CARE

22 If you are satisfied to allow your agent to determine what is best  
 23 for you in making health care decisions, you do not need to fill out this  
 24 part of the form. If you do fill out this part of the form, you may strike  
 25 any wording you do not want. There is a state protocol that governs the  
 26 use of do not resuscitate orders by physicians, **advanced practice**  
 27 **registered nurses, physician assistants,** and other health care  
 28 providers. You may obtain a copy of the protocol from the Alaska  
 29 Department of Health and Social Services. A "do not resuscitate order"  
 30 means a directive from a licensed physician, **advanced practice**  
 31 **registered nurse, or physician assistant** that emergency

1 cardiopulmonary resuscitation should not be administered to you.

2 (6) END-OF-LIFE DECISIONS. Except to the extent  
3 prohibited by law, I direct that my health care providers and others  
4 involved in my care provide, withhold, or withdraw treatment in  
5 accordance with the choice I have marked below: (Check only one  
6 box.)

7  (A) Choice To Prolong Life

8 I want my life to be prolonged as long as  
9 possible within the limits of generally accepted health care  
10 standards; OR

11  (B) Choice Not To Prolong Life

12 I want comfort care only and I do not want my  
13 life to be prolonged with medical treatment if, in the judgment  
14 of my physician, I have (check all choices that represent your  
15 wishes)

16  (i) a condition of permanent  
17 unconsciousness: a condition that, to a high degree of  
18 medical certainty, will last permanently without  
19 improvement; in which, to a high degree of medical  
20 certainty, thought, sensation, purposeful action, social  
21 interaction, and awareness of myself and the  
22 environment are absent; and for which, to a high degree  
23 of medical certainty, initiating or continuing life-  
24 sustaining procedures for me, in light of my medical  
25 outcome, will provide only minimal medical benefit for  
26 me; or

27  (ii) a terminal condition: an  
28 incurable or irreversible illness or injury that without the  
29 administration of life-sustaining procedures will result in  
30 my death in a short period of time, for which there is no  
31 reasonable prospect of cure or recovery, that imposes

1 severe pain or otherwise imposes an inhumane burden  
2 on me, and for which, in light of my medical condition,  
3 initiating or continuing life-sustaining procedures will  
4 provide only minimal medical benefit;

5 [ ] Additional instructions: \_\_\_\_\_  
6 \_\_\_\_\_

7 (C) Artificial Nutrition and Hydration. If I am  
8 unable to safely take nutrition, fluids, or nutrition and fluids  
9 (check your choices or write your instructions),

10 [ ] I wish to receive artificial nutrition and  
11 hydration indefinitely;

12 [ ] I wish to receive artificial nutrition and  
13 hydration indefinitely, unless it clearly increases my suffering  
14 and is no longer in my best interest;

15 [ ] I wish to receive artificial nutrition and  
16 hydration on a limited trial basis to see if I can improve;

17 [ ] In accordance with my choices in (6)(B)  
18 above, I do not wish to receive artificial nutrition and hydration.

19 [ ] Other instructions: \_\_\_\_\_  
20 \_\_\_\_\_

21 (D) Relief from Pain.

22 [ ] I direct that adequate treatment be  
23 provided at all times for the sole purpose of the  
24 alleviation of pain or discomfort; or

25 [ ] I give these instructions:  
26 \_\_\_\_\_  
27 \_\_\_\_\_

28 (E) Should I become unconscious and I  
29 am pregnant, I direct that \_\_\_\_\_  
30 \_\_\_\_\_  
31 \_\_\_\_\_

1 (7) OTHER WISHES. (If you do not agree with any of  
2 the optional choices above and wish to write your own, or if you wish  
3 to add to the instructions you have given above, you may do so here.) I  
4 direct that

5 \_\_\_\_\_  
6 \_\_\_\_\_  
7 Conditions or limitations: \_\_\_\_\_  
8 \_\_\_\_\_.

9 (Add additional sheets if needed.)

10 PART 3

11 ANATOMICAL GIFT AT DEATH

12 (OPTIONAL)

13 If you are satisfied to allow your agent to determine whether to  
14 make an anatomical gift at your death, you do not need to fill out this  
15 part of the form.

16 (8) Upon my death: (mark applicable box)

17 [ ] (A) I give any needed organs, tissues, or  
18 other body parts, OR

19 [ ] (B) I give the following organs, tissues, or  
20 other body parts only \_\_\_\_\_  
21 \_\_\_\_\_

22 [ ] (C) My gift is for the following purposes  
23 (mark any of the following you want):

24 [ ] (i) transplant;

25 [ ] (ii) therapy;

26 [ ] (iii) research;

27 [ ] (iv) education.

28 [ ] (D) I refuse to make an anatomical gift.

29 PART 4

30 MENTAL HEALTH TREATMENT

31 This part of the declaration allows you to make decisions in

1 advance about mental health treatment. The instructions that you  
2 include in this declaration will be followed only if a court, two  
3 physicians that include a psychiatrist, or a physician and a professional  
4 mental health clinician believe that you are not competent and cannot  
5 make treatment decisions. Otherwise, you will be considered to be  
6 competent and to have the capacity to give or withhold consent for the  
7 treatments.

8 If you are satisfied to allow your agent to determine what is best  
9 for you in making these mental health decisions, you do not need to fill  
10 out this part of the form. If you do fill out this part of the form, you  
11 may strike any wording you do not want.

12 (9) PSYCHOTROPIC MEDICATIONS. If I do not  
13 have the capacity to give or withhold informed consent for mental  
14 health treatment, my wishes regarding psychotropic medications are as  
15 follows:

16 \_\_\_\_\_ I consent to the administration of the following  
17 medications: \_\_\_\_\_

18 \_\_\_\_\_ I do not consent to the administration of the  
19 following medications: \_\_\_\_\_

20 Conditions or limitations: \_\_\_\_\_  
21 \_\_\_\_\_.

22 (10) ELECTROCONVULSIVE TREATMENT. If I do  
23 not have the capacity to give or withhold informed consent for mental  
24 health treatment, my wishes regarding electroconvulsive treatment are  
25 as follows:

26 \_\_\_\_\_ I consent to the administration of electroconvulsive  
27 treatment.

28 \_\_\_\_\_ I do not consent to the administration of  
29 electroconvulsive treatment.

30 Conditions or limitations: \_\_\_\_\_  
31 \_\_\_\_\_.

1 (11) ADMISSION TO AND RETENTION IN  
2 FACILITY. If I do not have the capacity to give or withhold informed  
3 consent for mental health treatment, my wishes regarding admission to  
4 and retention in a mental health facility for mental health treatment are  
5 as follows:

6 \_\_\_\_\_ I consent to being admitted to a mental health facility  
7 for mental health treatment for up to \_\_\_\_\_ days. (The number of  
8 days not to exceed 17.)

9 \_\_\_\_\_ I do not consent to being admitted to a mental health  
10 facility for mental health treatment.

11 Conditions or limitations: \_\_\_\_\_

12 \_\_\_\_\_

31 not willing, able, or reasonably available to act as my primary

17 (15) WITNESSES. This advance care health directive  
18 will not be valid for making health care decisions unless it is

19 (A) signed by two qualified adult witnesses who  
20 are personally known to you and who are present when you sign
