## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2022 LEGISLATIVE SESSION**Analysis**

The bill would amend the qualification criteria of an Alaska Performance Scholarship (APS) applicant by adding an option for career and technical education (CTE) to the academic curriculum, and inserts a definition for career cluster.

The CTE academic curriculum options include: (Option 1) substituting one CTE course credit for one standard course credit of social studies in the Math and Science Curriculum track; (Option 2) substituting two CTE course credits, one year of which includes two semesters of sequentially more rigorous content within a career cluster, for two course credits of a world language in the Social Studies and Language Curriculum track; and (Option 3) creates an additional Social Studies and Language Curriculum track that includes substituting one CTE course credit for one standard course credit of social studies, in addition to two years of a world language.

The department would need to make the necessary regulation changes to bring APS regulations into conformity with the addition of CTE to the academic curriculum. There is a one-time increment of \$6.0 to implement the necessary regulation changes.
