FISCAL NOTE ANALYSIS

STATE OF ALASKA
2022 LEGISLATIVE SESSION**Analysis**

This bill adds the citations for distribution or possession of child pornography (AS 11.61.125-11.61.127) to the list of causes requiring lifetime revocation of a teaching certificate upon conviction by the Professional Teaching Practices Commission (PTPC) or the commissioner (AS 14.20.030(b)).

The applicability of this section is retroactive and applies to convictions occurring before, on, or after the effective date of this bill for conduct occurring before, on, or after the effective date of this bill. This means that if a teacher is already licensed and it is discovered that they had been convicted of possessing or distributing child pornography in the past, that person's teaching certificate must be revoked.

The PTPC would need to review regulations and make necessary changes to bring the code of ethical standards regulations into conformity. There is a one-time increment of \$6.0 to implement the necessary regulation changes.
