FISCAL NOTE ANALYSIS

**STATE OF ALASKA
2022 LEGISLATIVE SESSION****Analysis**

HB 349 makes it discretionary rather than mandatory for the Alaska Oil and Gas Conservation Commission (AOGCC) to hold a hearing prior to establishing a drilling unit or units for each pool, and for AOGCC to issue a notice and hold a hearing in each instance where an exception is granted to the rules or spacing patterns prescribed to a particular pool.

AOGCC does not anticipate fiscal impact from this legislation.
