FISCAL NOTE ANALYSIS

STATE OF ALASKA
2021 LEGISLATIVE SESSION**Analysis**

SB 38 amends the licensing requirements and scope of practice for naturopaths. It adds continuing education requirements for licensure renewal and allows naturopaths to prescribe or recommend medications, except for controlled substances or chemotherapy.

The Division of Corporations, Business, and Professional Licensing (CBPL) anticipates the following fiscal impact as a result of this legislation:

Services: \$4.2 (legal costs to amend regulations, printing, and postage in FY2022)

Professional licensing programs within CBPL are funded by receipt supported services, fund source 1156 Rcpt Svcs (DGF). Licensing fees for each program are set per AS 08.01.065 so the revenue collected approximately equals the occupation's actual regulatory costs.
