FISCAL NOTE ANALYSIS

STATE OF ALASKA
2022 LEGISLATIVE SESSION

Analysis

This bill allows the Department of Administration (DOA), Division of Motor Vehicles, to collect a minimal registration fee not to exceed \$50 for a vehicle registration plate celebrating the arts. The fee will be collected only on the first issuance of the special request license plates. Each new design of the plate every four years is considered a new plate for which a fee would be collected on the first issuance. The fee would not be collected to replace the same plate. The fees will be accounted for and deposited into the general fund by the commissioner of the Department of Administration (DOA), and not withstanding AS 28.10.421(g), the annual estimated balance in the account that is in excess of the cost of issuing the special request license plates celebrating the arts may be appropriated by the legislature to the Alaska State Council on the Arts (ASCA).

This bill establishes the attorney general as the legal counsel for ASCA, while allowing ASCA to retain temporary legal counsel for good cause with the approval of the attorney general.

This bill establishes the Alaska arts and cultural investment fund, created in the general fund. The fund consists of money appropriated by the legislature from other sources such as philanthropic funds and private non-profits. Appropriations do not lapse and the council will administer the fund.

This bill provides ASCA the opportunity to hold a license plate design competition celebrating the arts every four years, and allows ASCA to consult with DOA to recommend an amount, to be appropriated from the annual estimated account balance, to pay an artist for a winning design selected through the license plate design competition.

This bill allows ASCA to manage the relocation, disposition, and exchange of State of Alaska public art works according to a policy to be established by ASCA and its Visual Arts Advisory Committee.

A one-time increment of \$6.0 is included for legal fees to implement the necessary regulation changes and for policy review.
