FISCAL NOTE ANALYSIS

STATE OF ALASKA
2021 LEGISLATIVE SESSION**Analysis**

The Citizens' Advisory Commission on Federal Management Areas in Alaska (CACFA) was active from 1981 until 1999, at which time funding was eliminated. In 2007, AS 41.37 reestablished CACFA and was active from FY2008 through FY2017, when funding was eliminated.

This bill will extend the termination date of the CACFA through June 30, 2029 which would allow for potential future budget appropriations and reactivation of the Commission. It is anticipated that the extension of the date alone will not impact the Office of Project Management and Permitting (OPMP), therefore a zero fiscal note is submitted.
