FISCAL NOTE ANALYSIS

STATE OF ALASKA
2022 LEGISLATIVE SESSION

-

Analysis

Senate Bill 191 repeals certain provisions of the extension of the Governor's January 15, 2021 declaration of a public health disaster emergency in response to the COVID-19 pandemic.

The disaster declaration enables the State of Alaska to receive federal financial assistance to address pandemic related matters and allows the State to effectively respond to changing circumstances regarding the spread of COVID-19. It is not feasible to forecast the fiscal implications of repealing these provisions of the Governor's disaster declaration and, therefore, the Office of Management and Budget submits an indeterminate fiscal note.
