FISCAL NOTE ANALYSIS

STATE OF ALASKA
2022 LEGISLATIVE SESSION**Analysis**

This legislation enables the Commissioner of the Department of Transportation and Public Facilities to spend from the Alaska Marine Highway System (AMHS) Fund without further appropriation. It also specifies that the AMHS Fund is created as a special account outside and separate from the general fund.

Expenditures from the fund are subject to statutory and fiscal constraints. The Office of Management and Budget and Department of Transportation and Public Facilities will continue to reflect AMHS operating budget authority in the annual budget submission as AMHS - Other (Duplicated). This fiscal note reflects a fund source change for the \$5 million in AMHS Receipts (a designated general fund revenue source) included in the Governor's budget submission to a temporary fund placeholder for a new AMHS Fund - Other (Duplicated) fund code.
