**ALASKA STATE LEGISLATURE**  
**THIRTY-SECOND LEGISLATURE**

**Eighty-first Day**

Pursuant to adjournment the House was called to order by Speaker Stutes at 10:33 a.m.

Roll call showed 40 members present.

The invocation was offered by the Chaplain, Representative Johnson. Representative Thompson moved and asked unanimous consent that the invocation be spread on the journal. There being no objection, it was so ordered.

With respect for the religious beliefs of all Alaskans, I offer the following prayer:

Heavenly Father, I give thanks for our government and allowing for all of us to be in the position that we are. Pour out your spirit upon us and make your word known to us.

Help us to be men and women of integrity with an understanding of your principles, acting justly and righteously, that we may lead a quiet and peaceable life in all godliness and honesty.

Give us wise and understanding hearts, and let godly knowledge be pleasant to us. Guide us in making wise and godly choices; guard over us with understanding, keeping us out of danger. Make our hearts and ears attentive to godly counsel, doing what is right in your sight. Let us be upright, just, and fair so that our nation will be secure.

Bring to light the hidden things done in darkness and expose the secrets of our hearts. Cause this nation and Alaska to remember from where we have fallen, repenting, and returning to righteous and godly works setting our hearts and our souls to seek first you, Lord, and your righteousness, humbling ourselves, praying, and turning from our wicked ways. We acknowledge that then you will hear us, O Lord, and forgive our sins and heal our land. We ask that you open our eyes and turn us from darkness to light.

Soften our hearts, for we recognize we are hardened through the deceitfulness of sin. Send your word once again to the people and rescue us. Father, thank you that you have been longsuffering toward us, not willing that any should perish, but that all should come to repentance. Raise up a standard of godliness and righteousness in our nation. Bring your Spirit to flood this land and awaken us once again and let the glory of the Lord be revealed! Arise, shine through your people and fill our land with your light and truth.

We ask this in the powerful name of our Lord and Savior, Christ Jesus. Amen.

The Pledge of Allegiance was led by Representative Kurka.

The Governor's transmittal letter dated April 8 follows:

"Dear Speaker Stutes:

Under the authority of Article III, Section 18, of the Alaska Constitution, I am transmitting a bill relating to the Alaska Energy Independence Fund.

This legislation amends AS 44.88 to establish the Alaska Energy Independence Fund within the Alaska Industrial Development and Export Authority (AIDEA).

AS 44.88.450 – 44.88.456 provides AIDEA with the ability to receive private and public funding, manage the fund and arrange affordable financing for defined sustainable energy developments to suit Alaska's unique energy needs, particularly with regard to addressing urban and rural energy requirements.

Alaska's total energy expenditures per capita of \$8,060, \$5.8 billion per annum, is the third highest in the country and is nearly double the national average of \$4,291. The Alaska Energy Independence Fund is designed to make a meaningful economic development and fiscal impact as it gains scale and adoption throughout Alaskan communities. A reduction in total energy expenditures by Alaskans provides a tangible reduction in Alaska's cost of energy and allows Alaskans to redeploy energy savings back into Alaska's economy to drive incremental GDP growth.

The Alaska Energy Independence Fund would be established to make loans, provide credit enhancement structures, purchase loans, provide development funding and other forms of financing for sustainable energy development in Alaska's residential, commercial, and industrial market sectors. The Alaska Energy Independence Fund would make capital more accessible to borrowers for clean energy projects and incentivize co-investment in Alaska's emerging clean energy sector between the public sector, Alaska's financial sector, and private investors. This bill would take effect January 1, 2022, to provide time to develop the program and ensure a successful and robust launch.

Please join me in acting to provide this pathway to create new jobs and businesses, decrease commercial and household energy costs for redeployment in Alaska's economy, and increase Alaska's energy independence.

Sincerely,

/s/

Mike Dunleavy  
Governor"
