ALASKA STATE LEGISLATURE
THIRTY-SECOND LEGISLATURE
FIRST SESSION

Juneau, Alaska

Monday

April 19, 2021

Ninety-first Day

Pursuant to adjournment the House was called to order by Speaker Stutes at 10:30 a.m.

Roll call showed 35 members present. Representatives Kaufman, LeBon, Thompson, and Tuck had been excused from a call of the House today. Representative Kreiss-Tomkins was absent, and his presence was noted later.

The invocation was offered by the Chaplain, Representative Carpenter. Representative Story moved and asked unanimous consent that the invocation be spread on the journal. There being no objection, it was so ordered.

With respect for all the religions of Alaska, I offer the following prayer from Psalms 8:

Lord, our Lord,
How majestic is your name in all the earth,
You who have displayed your splendor above the heavens!

From the mouths of infants and nursing babies you have established strength because of your enemies, to do away with the enemy and the revengeful.

When I consider your heavens, the work of your fingers, the moon and the stars, which you have set in place;

What is man that you think of him, and a son of man that you are concerned about him?

HOUSE JOURNAL

April 19, 2021

Yet you have made him a little lower than God, and you crown him with glory and majesty!

You have him rule over the works of your hands; you have put everything under his feet,

All sheep and oxen, and also the animals of the field,

The birds of the sky, and the fish of the sea, whatever passes through the paths of the seas.

Lord, our Lord, how majestic is your name in all the earth!
Amen.

The Pledge of Allegiance was led by Representative McKay.

INTRODUCTION, FIRST READING, AND REFERENCE OF HOUSE BILLS

HB 180

HOUSE BILL NO. 180 by Representative Carpenter, entitled:

"An Act relating to eliminating vacant positions in the classified and partially exempt service of the state; and providing for an effective date."

was read the first time and referred to the State Affairs and Finance Committees.

HB 181

HOUSE BILL NO. 181 by the House Rules Committee by request of the Governor, entitled:

"An Act making special appropriations relating to the American Rescue Plan Act; and providing for an effective date."

was read the first time and referred to the Finance Committee.

The Governor's transmittal letter dated April 16 follows:

"Dear Speaker Stutes:

Under the authority of Article III, Section 18 of the Alaska Constitution, I am transmitting a bill relating to appropriations of \$1.54 billion in federal relief funds from the American Rescue Plan Act.

This appropriation bill includes \$1.02 billion in state discretionary federal relief funds allocated to balance relief for impacted individuals and industries, Alaska's long-term economic development, and offsetting unrestricted general fund expenditures to improve Alaska's fiscal situation. The following broad categories are proposed allocations of the \$1.02 billion:

- Protecting Alaskans: \$80 million for emergency response to address economic impacts, the negative effects of domestic violence, food security, and assistance to households and individual Alaskans.
- Alaska Tourism Revitalization: \$150 million for industry relief, to promote tourism, and adapt services for the potential loss of another cruise ship season.
- Economic Recovery and Innovation: \$325 million of relief to businesses and organizations impacted by COVID-19, and to prepare Alaska's economy for investment as we reach the end of the pandemic and a return to normal life.
- Build Alaska – Infrastructure Investment: \$325 million for water, sewer, and broadband infrastructure investments.
- General Fund Offsets - \$139.3 million to provide state government services by offsetting existing general fund expenditures.

HOUSE JOURNAL

650

April 19, 2021

Additionally, \$112.3 million in federal funding is allocated to the State for capital projects directly enabling work, education, and health monitoring. This is a placeholder appropriation pending further detail from United States Treasury on the funding requirements and the application process, which should be made available on or before May 10, 2021.

The American Rescue Plan Act also provided \$230.7 million for payments to Alaska communities, of which \$185.4 million requires appropriation and distribution by the State of Alaska to communities based on a federal formula. This funding is included in this legislation.

Numerous state programs were awarded increased federal funding in the American Rescue Plan Act. Appropriations for these federal awards are included in this bill for items where sufficient guidance and details are known. This includes \$220 million for specific programs for public health and safety, workforce development, education, transportation, and emergency management. This amount represents the best-known information at this time of the total federal authorization that will be required for American Rescue Plan Act funding.

My administration will work with the legislature to refine these appropriations as additional guidance is provided by the federal government. I look forward to engaging with you to implement a robust plan for these funds for the benefit of all Alaskans.

Sincerely,
/s/
Mike Dunleavy
Governor"
