

HOUSE JOURNAL
ALASKA STATE LEGISLATURE
THIRTY-SECOND LEGISLATURE
SECOND SESSION

Juneau, Alaska

Tuesday

May 17, 2022

One Hundred Twentieth Day

Pursuant to adjournment the House was called to order by Speaker Stutes at 10:27 a.m.

Roll call showed 39 members present. Representative Rasmussen was absent, and her presence was noted later.

An instrumental invocation was offered by the Chaplain, Representative Claman. Representative Thompson moved and asked unanimous consent that the invocation be spread on the journal. There being no objection, it was so ordered.

My friend Ollie Louise Rollerson was the first person I knew growing up in the segregated South whose life was a shining example of unconditional love. She worked with a Jewish family in our neighborhood, and she had a bumper sticker on her car that proclaimed, "The King is Coming." She was a beloved member of the Greater Mt. Calvary Church of God in Christ, and when she died on March 24th at age 93, she had outlived every other adult from our neighborhood. She loved to sing, and *Amazing Grace* was one of her favorites. Please join me:

Amazing grace! How sweet the sound
That saved a wretch like me!
I once was lost, but now am found;
Was blind, but now I see.
'Twas grace that taught my heart to fear,
And grace my fears relieved;

How precious did that grace appear
The hour I first believed.
When we've been there ten thousand years,
Bright shining as the sun,
We've no less days to sing God's praise
Than when we'd first begun.
Amazing grace! How sweet the sound
That saved a wretch like me!
I once was lost, but now am found;
Was blind, but now I see.

The Pledge of Allegiance was led by Representative Ortiz.

CERTIFICATION OF THE JOURNAL

Representative Tuck moved and asked unanimous consent that the journal for the 119th legislative day be approved as certified by the Chief Clerk. There being no objection, it was so ordered.

(e) This section does not prohibit a licensed dental hygienist

(1) with an endorsement issued under AS 08.32.085 from performing the activities authorized under AS 08.32.085;

(2) who **holds an advanced practice permit issued by the board under AS 08.32.125 or** has entered into a collaborative agreement approved by the board under AS 08.32.115 from performing the activities authorized under the **permit or** collaborative agreement; or

(3) from performing a dental operation, procedure, or service a dentist may delegate to a dental assistant under AS 08.36.346 **or that a licensed dental hygienist who holds an advanced practice permit issued by the board under AS 08.32.125 may delegate to a dental assistant under AS 08.36.346(c).**

* **Sec. 4.** AS 08.32 is amended by adding a new section to read:

Sec. 08.32.125. Advanced practice permits. (a) The board may issue an advanced practice permit to a licensed dental hygienist with a minimum of 4,000 documented hours of clinical experience. A licensed dental hygienist holding an advanced practice permit may

(1) promote oral health and provide disease prevention education and oral systemic health education;

(2) remove calcareous deposits, accretions, and stains from the surfaces of the teeth beginning at the epithelial attachment by scaling and polishing techniques;

(3) apply topical preventive or prophylactic agents, including silver diamine fluoride, fluoride varnishes, and pit and fissure sealants;

(4) remove marginal overhangs;

(5) perform preliminary charting and triage to formulate

a dental hygiene assessment and dental hygiene treatment plan;

- (6) expose and develop radiographs;
- (7) use local periodontal therapeutic agents;
- (8) perform nonsurgical periodontal therapy;
- (9) screen for oral cancer;
- (10) if certified by the board, administer local anesthetic agents;

- (11) prescribe

- (A) fluoride that is applied or provided to a patient;

and

- (B) chlorhexidine or a similar antibacterial rinse; and

- (12) delegate dental operations and services to a dental assistant as provided in AS 08.36.346.

(b) A licensed dental hygienist holding an advanced practice permit may provide the services described in (a) of this section to a patient who is unable to access dental treatment because of age, infirmity, or disability and is

- (1) a resident in a senior center, including a hospital, long-term care facility, adult foster home, residential care facility, or adult congregate living facility;

- (2) a resident in a health care facility, including a mental health residential program or facility for individuals with developmental or other disabilities;

- (3) held in a local correctional facility for juveniles or adults;

- (4) enrolled in a nursery school, day care program, vocational training facility, primary school, secondary school, private school, or public charter school;

- (5) entitled to benefits under 42 U.S.C. 1786 (Special Supplemental Nutrition Program for Women, Infants, and Children);

- (6) homebound; or

- (7) a resident of a dental health professional shortage area designated under 42 U.S.C. 254e.

(c) A licensed dental hygienist holding an advanced practice permit may provide the services described in (a) of this section to a patient described in (b) of this section without

- (1) the physical presence, authorization, or supervision of a licensed dentist;

- (2) a licensed dentist's examination of the patient.

(d) A licensed dental hygienist who provides services under an advanced practice permit shall maintain professional liability insurance and provide the patient, or the parent or legal guardian of the patient, with

(1) a written notice that the treatment provided will be limited to services permitted under (a) of this section;

(2) a written recommendation that the patient be examined by a licensed dentist for comprehensive oral health care services; and

(3) assistance in obtaining a referral to a licensed dentist for further dental planning and treatment, including a written description of methods for obtaining a referral and a list of licensed dentists in the patient's community or other resources for finding a licensed dentist.

(e) An advanced practice permit is valid until the expiration of the dental hygienist's license to practice. A licensed dental hygienist may renew an advanced practice permit at the time of license renewal under AS 08.32.071.

* **Sec. 5.** AS 08.32.160 is amended to read:

Sec. 08.32.160. Grounds for discipline, suspension, or revocation of license. The board may revoke or suspend the license of a dental hygienist, or may reprimand, censure, or discipline a licensee, if, after a hearing, the board finds that the licensee

(1) used or knowingly cooperated in deceit, fraud, or intentional misrepresentation to obtain a license, certificate, or endorsement;

(2) engaged in deceit, fraud, or intentional misrepresentation in the course of providing or billing for professional services or engaging in professional activities;

(3) advertised professional services in a false or misleading manner;

(4) has been convicted of a felony or other crime that affects the licensee's ability to continue to practice competently and safely;

(5) failed to comply with this chapter, with a regulation adopted under this chapter or under AS 08.36, or with an order of the board;

(6) continued to practice after becoming unfit due to

(A) professional incompetence;

- (B) addiction or dependence on alcohol or other drugs that impairs the licensee's ability to practice safely;
- (C) physical or mental disability;
- (7) engaged in lewd or immoral conduct in connection with the delivery of professional service to patients;
- (8) **except as permitted under an advanced practice permit under AS 08.32.125**, performed clinical procedures without being under the supervision of a licensed dentist;
- (9) did not conform to professional standards in delivering dental hygiene services to patients regardless of whether actual injury to the patient occurred;
- (10) **permitted a dental assistant employed by an advanced practice dental hygienist or working under the supervision of a dental hygienist to perform a dental procedure in violation of AS 08.32.110 or AS 08.36.346;**

SHORT TITLE. This Act may be known as the Alaska Apprenticeship Expansion Act.

*** Sec. 2.** AS 14.07.020(a) is amended to read:

(a) The department shall

(1) exercise general supervision over the public schools of the state except the University of Alaska;

(2) study the conditions and needs of the public schools of the state, adopt or recommend plans, administer and evaluate grants to improve school performance awarded under AS 14.03.125, and adopt regulations for the improvement of the public schools; the department may consult with the University of Alaska to develop secondary education requirements to improve student achievement in college preparatory courses;

(3) provide advisory and consultative services to all public school governing bodies and personnel;

(4) prescribe by regulation a minimum course of study for the public schools; the regulations must provide that, if a course in American Sign Language is given, the course shall be given credit as a course in a foreign language;

(5) establish, in coordination with the Department of Health and Social Services, a program for the continuing education of children who are held in juvenile detention facilities or juvenile treatment facilities, as those terms are defined in AS 47.12.990, in the state during the period of detention or treatment;

(6) accredit those public schools that meet accreditation standards prescribed by regulation by the department; these regulations shall be adopted by the department and presented to the legislature during the first 10 days of any regular session, and become effective 45 days after presentation or at the end of the session, whichever is earlier, unless disapproved by a resolution concurred in by a majority of the members of each house;

(7) prescribe by regulation, after consultation with the state fire marshal and the state sanitarian, standards that will ensure healthful and safe conditions in the public and private schools of the state, including a requirement of physical examinations and immunizations in pre-elementary schools; the standards for private schools may not be more stringent than those for public schools;

(8) exercise general supervision over pre-elementary schools that receive direct state or federal funding;

(9) exercise general supervision over elementary and secondary correspondence study programs offered by municipal school districts or regional educational attendance areas; the department may also offer and make available to any Alaskan through a centralized office a correspondence study program;

(10) accredit private schools that request accreditation and that meet accreditation standards prescribed by regulation by the department; nothing in this paragraph authorizes the department to require religious or other private schools to be licensed;

(11) review plans for construction of new public elementary and secondary schools and for additions to and major rehabilitation of existing public elementary and secondary schools and, in accordance with regulations adopted by the department,

determine and approve the extent of eligibility for state aid of a school construction or major maintenance project; for the purposes of this paragraph, "plans" include educational specifications, schematic designs, projected energy consumption and costs, and final contract documents;

(12) provide educational opportunities in the areas of vocational education and training, and basic education to individuals over 16 years of age who are no longer attending school; the department may consult with businesses and labor unions to develop a program to prepare students for apprenticeships or internships that will lead to employment opportunities;

(13) administer the grants awarded under AS 14.11;

(14) establish, in coordination with the Department of Public Safety, a school bus driver training course;

(15) require the reporting of information relating to school disciplinary and safety programs under AS 14.33.120 and of incidents of disruptive or violent behavior;

(16) establish by regulation criteria, based on low student performance, under which the department may intervene in a school district to improve instructional practices, as described in AS 14.07.030(a)(14) or (15); the regulations must include

(A) a notice provision that alerts the district to the deficiencies and the instructional practice changes proposed by the department;

(B) an end date for departmental intervention, as described in AS 14.07.030(a)(14)(A) and (B) and (15), after the district demonstrates three consecutive years of improvement consisting of not less than two percent increases in student proficiency on standards-based assessments in language arts and mathematics, as provided in AS 14.03.123(f)(1)(A); and

(C) a process for districts to petition the department for continuing or discontinuing the department's intervention;

(17) notify the legislative committees having jurisdiction over education before intervening in a school district under AS 14.07.030(a)(14) or redirecting public school funding under AS 14.07.030(a)(15);

(18) using funds available for that purpose, collaborate with the Department of Labor and Workforce

Development to provide financial and technical support to school districts creating, expanding, or operating concurrent career and technical education programs under AS 14.35.100 - 14.35.130, including pre-apprenticeship and school-to-apprenticeship programs."

**** Sec. 5.** AS 14.35 is amended by adding new sections to read:

Article 2. Concurrent Career and Technical Education Programs.

Sec. 14.35.100. State policy. It is the policy of this state to provide public secondary school students who are at least 14 years of age the opportunity to participate in concurrent career and technical education programs, including vocational education, pre-apprenticeship, apprenticeship, work-based learning, and on-the-job experience programs. A participating school district shall adopt a policy allowing a student to earn secondary school credit in science, math, engineering, or another applicable course for experience obtained through a contracted concurrent career and technical education program. A school district shall allow a public

secondary school student who is at least 14 years of age to receive course credit in career and technical education, physical education, music, or art if the student participates in an activity, including a cultural activity, outside of school hours that the school district determines meets the educational or physical activity requirements of the course. A school district may adopt standards for awarding course credit for an activity under this section.

Sec. 14.35.105. Program contracts. (a) A school district may elect to develop concurrent career and technical education programs within the school district and negotiate contracts with agencies providing vocational education, pre-apprenticeship, apprenticeship, work-based learning, or on-the-job experience programs for students enrolled in a public secondary school.

(b) A contract entered into under this section must include

- (1) a description of the program, including the program curriculum;
- (2) the number of eligible students who may participate in the program each year;
- (3) the tuition paid by the school district for each student for program participation, including whether the agency will provide scholarships and fee waivers to reduce the cost for a participating school district;
- (4) a requirement that agency instructors comply with AS 14.35.125;
- (5) a statement from the school district that it will request issuance of a certificate for eligible agency instructors;
- (6) if applicable, a statement that all instruction provided in the program meets industry standards for credit toward certification based on agency accredited national, regional, or programmatic instruction standards, or toward a requirement for a professional license issued by the Department of Commerce, Community, and Economic Development;
- (7) the method by which the program will credit a student for coursework in the program and how that credit will satisfy the credit requirements for students concurrently in a public secondary school;
- (8) program policies and procedures;
- (9) the location and description of the agency;
- (10) a statement that the agency will comply with all

state and federal requirements for receipt and use of public money;

(11) a termination clause providing that the school district may terminate the contract for an agency's failure to meet the program's educational goals or for other good cause; and

(12) other requirements agreed on by the agency and the department.

(c) A contract under this section must provide for participation by a student who is eligible under AS 14.35.115.

(d) A school district shall promptly pay an agency providing a program according to the terms of the contract entered into under this section.

Sec. 14.35.110. Program list. A school district shall annually compile and publish on the school district's Internet website a list of concurrent vocational education, pre-apprenticeship, apprenticeship, work-based learning, and on-the-job experience programs that the school district contracts with to provide concurrent career and technical education.

Sec. 14.35.115. Student enrollment. (a) A student is eligible to participate in a concurrent career and technical education program if the student

(1) is enrolled in a public school in the state;

(2) is at least 14 years of age;

(3) has not received a high school diploma; and

(4) complies with the program requirements.

(b) If the number of applications for a program exceeds the capacity of the program or age group, the school district shall select students by random drawing.

Sec. 14.35.120. Program information. A school district that elects to participate in a concurrent career and technical education program shall provide students and parents of students in grades eight through 12 with information to ensure that the students and parents are aware of program opportunities. The information must describe the

(1) process used by the school district to award secondary school credit for completing vocational education, pre-apprenticeship, apprenticeship, work-based learning, and on-the-job experience programs;

(2) availability of program course offerings;

(3) benefits of participating in career and technical

education while in secondary school;

(4) availability of support services; and

(5) academic and social responsibilities associated with participating in the program.

Sec. 14.35.125. Instructor certification. A person may not instruct students in a concurrent vocational education, pre-apprenticeship, apprenticeship, work-based learning, or on-the-job experience program unless the person possesses a valid teaching certificate issued under AS 14.20.010 - 14.20.040 and, if providing vocational education, holds industry standard master skill certification or the equivalent in the area of instruction.

Sec. 14.35.130. Definition. In AS 14.35.100 - 14.35.130, "school district" means a borough school district, a city school district, or a regional educational attendance area."
