HB 282

The following was enrolled, signed by the Speaker and Chief Clerk, President and Secretary of the Senate, and the engrossed and enrolled copies were transmitted to the Office of the Governor at 2:30 p.m., June 15:

CONFERENCE CS FOR HOUSE BILL NO. 282

"An Act making appropriations for the operating and capital expenses of the state's integrated comprehensive mental health program; and providing for an effective date. "

The following letter dated May 18 to Ms. Anita Halterman, Chair, Alaska Mental Health Trust Authority, was transmitted to the Office of the Governor at 2:30 p.m., June 15.

"Dear Ms. Halterman:

Pursuant to the requirements of AS 37.14.005(c), this letter and the enclosed report describe the funding for FY23 Mental Health programs. The appropriations contained in HB 282 follow the FY23 Mental Health Trust Authority's funding recommendations for the State's integrated comprehensive mental health program. While the statute requires reporting only on general fund expenditures, information regarding expenditures of Authority receipts is also included in the attached report.

In HB 282 the Legislature appropriated all FY23 Mental Health Trust Authority recommendations.

The Governor's Executive Order 121 (dividing the Department of Health and Social Services into the Department of Health and the Department of Family and Community Services) will be implemented in FY23. Below are the funding differences in HB 282, relative to the Governor's FY23 Mental Health Trust Authority budget proposal.

Operating

- Legislature changed \$2,553.0 (\$1,875.0 plus \$678.0) associated with the Disability Law Center Settlement in the Inpatient Mental Health appropriation from UGF (code 1004) to GF/MH UGF (code 1037) to more appropriately track mental health expenditures;

- Legislature approved the Trust's request for \$900.0 GF/MH to support Crisis Now, however, transferred the funding from the Behavioral Health Prevention and Early Intervention Grants allocation to the Behavioral Health Treatment and Recovery Grants allocation, per a Governor's amendment;
- Legislature denied the Governor's request to decrement \$790.0 GF/MH from Behavioral Health Treatment and Recovery Grants related to transitioning services provided through the Medicaid 1115 waiver;
- Legislature replaced \$750.0 of marijuana education and treatment (MET) funding in Behavioral Health Treatment and Recovery Grants with GF/MH and transferred the \$750.0 MET funds to the Public Health / Chronic Disease Prevention and Health Promotion allocation. This action was intended to increase support for after-school youth grant programs addressing misuse and prevention;
- Legislature added \$859.5 GF/MH for Behavioral Health Treatment and Recovery Grants;
- Legislature added \$246.7 GF/MH for Behavioral Health Prevention and Early Intervention Grants;

Capital

- Legislature changed \$100.0 for an Alaska Psychiatric Institute wireless infrastructure upgrade from UGF (code 1004) to GF/MH UGF (code 1037). Funding for this project was originally requested at \$500.0, however, the amount was reduced to \$100.0 through a Governor's amendment.

New Legislation

- HB 172 (Mental Health Facilities & Meds) - Legislature added \$1,463.5 of GF/MH (additionally, \$150.0 of federal receipts and \$150.0 of inter-agency receipts were added in HB 281);
- SB 80 (Public Schools; Mental Health Education) - Legislature added \$71.0 GF/MH multi-year (FY23-FY24).

The attached report provides a summary of FY23 Operating & Capital appropriations included in HB 282. If you have questions regarding the enclosed reports, please contact Kelly Cunningham of the Legislative Finance Division at 465-3821.

Sincerely,

/s/

Senator Bert Stedman

HB 281

The following letter dated June 28 was received:

"Dear Speaker Stutes:

On this date, I have signed, with line-item vetoes, the following bill passed during the second session of the Thirty-Second Alaska State Legislature, and am transmitting the engrossed and enrolled copies to the Lieutenant Governor's Office for permanent filing:

CONFERENCE CS FOR HOUSE BILL NO. 281(brf sup maj fld H)
"An Act making appropriations for the operating and loan

program expenses of state government and for certain programs; capitalizing funds; amending appropriations; making capital appropriations, supplemental appropriations, and reappropriations; and providing for an effective date."

Chapter No. 11, SLA 2022
[Effective date: See Chapter]

This budget, with line item vetoes, represents prudent and fiscally responsible investments in public safety, public education, the University of Alaska, and infrastructure projects that create jobs and economic development. The vetoes made were the result of a thorough evaluation and consistent application of the priorities of my administration to preserve general funds for savings that will help shield the economy when oil prices eventually decline.

After vetoes, this bill funds a historically high permanent fund dividend, puts a projected \$3.6 billion into savings, and invests \$2.7 billion in FY23 capital spending, which incorporates significant investments from the federal Infrastructure Investments and Jobs Act. This budget also addresses many long-standing issues with infrastructure, public safety, and technology in rural communities.

This budget strikes a balance between rebuilding state services like public safety while holding spending in check, adding to savings, and pointing the economy in the right direction.

Sincerely,
/s/
Mike Dunleavy
Governor"

HB 282

The following letter dated June 28 was received:

"Dear Speaker Stutes:

On this date, I have signed, with line-item vetoes, the following bill passed during the second session of the Thirty-Second Alaska State Legislature, and am transmitting the engrossed and enrolled copies to the Lieutenant Governor's Office for permanent filing:

CONFERENCE CS FOR HOUSE BILL NO. 282

"An Act making appropriations for the operating and capital expenses of the state's integrated comprehensive mental health program; and providing for an effective date."

Chapter No. 12, SLA 2022
[Effective date: See Chapter]

The Mental Health Capital and Operating budget includes one reduction of \$790 thousand to the Department of Health, behavioral health, treatment and recovery grants in recognition that the Medicaid 1115 Waiver allows these services to be transferred to and funded through Medicaid.

After this veto, the total enacted amount for this bill is \$242 million comprised of \$178.1 million in unrestricted general funds, \$45.8 million of designated general funds, and \$18.1 million of other funds.

Sincerely,

/s/

Mike Dunleavy
Governor"

SB 45

The following letter dated September 8 was received:

"Dear Speaker Stutes:

Under the authority vested in me by Article II, Section 15, Constitution of the State of Alaska, I have vetoed the following bill:

HOUSE CS FOR CS FOR SENATE BILL NO. 45(FIN) am H

"An Act raising the minimum age to purchase, sell, exchange, or possess tobacco, a product containing nicotine, or an electronic smoking product; relating to selling a tobacco product; relating to possession of tobacco, electronic smoking products, or products containing nicotine by an underaged person; relating to the definition of 'nicotine'; relating to transporting tobacco, a product containing nicotine, or an electronic smoking product; relating to the taxation of electronic smoking products; relating to electronic

smoking products; relating to the marketing of electronic smoking products; relating to tobacco products; and providing for an effective date."

Senate Bill 45 sought to create parity amongst tobacco users by expanding an excise tax on tobacco products other than cigarettes (OTP) to include electronic smoking products (ESPs). ESPs are currently not subject to state-level taxes as they are not considered cigarettes or OTP under current law, and this bill would tax them at 35% of wholesale value.

There were many conversations about what an appropriate level to tax would be, but ultimately a tax increase on the people of Alaska is not something I can support.

While SB 45 would also increase the age in which a person can purchase nicotine products from 19 to 21, it is not possible to separate out components of a bill once it has been passed by the Legislature. Therefore, I have chosen to veto HCS CSSB 45(FIN) AM H.

Sincerely,

/s/

Mike Dunleavy

Governor"
