HB 281

Message was received stating the Governor signed, with line-item vetoes, the following bill on June 28 and transmitted the engrossed and enrolled copies to the Lieutenant Governor's Office for permanent filing:

CONFERENCE CS FOR HOUSE BILL NO. 281(brf sup maj fld H) "An Act making appropriations for the operating and loan program expenses of state government and for certain programs; capitalizing funds; amending appropriations; making capital appropriations, supplemental appropriations, and reappropriations; and providing for an effective date."

Chapter 11, SLA 2022
[Effective Date: See Chapter]

This budget, with line item vetoes, represents prudent and fiscally responsible investments in public safety, public education, the University of Alaska, and infrastructure projects that create jobs and economic development. The vetoes made were the result of a thorough evaluation and consistent application of the priorities of my administration to preserve general funds for savings that will help shield the economy when oil prices eventually decline.

After vetoes, this bill funds a historically high permanent fund dividend, puts a projected \$3.6 billion into savings, and invests \$2.7 billion in FY23 capital spending, which incorporates significant investments from the federal Infrastructure Investments and Jobs Act. This budget also addresses many long-standing issues with infrastructure, public safety, and technology in rural communities.

This budget strikes a balance between rebuilding state services like public safety while holding spending in check, adding to savings, and pointing the economy in the right direction.

Sincerely,

/s/

Mike Dunleavy

Governor

HB 282

"An Act making appropriations for the operating and capital expenses of the state's integrated comprehensive mental health program; and providing for an effective date."

The Mental Health Capital and Operating budget includes one reduction of \$790 thousand to the Department of Health, behavioral health, treatment and recovery grants in recognition that the Medicaid 1115 Waiver allows these services to be transferred to and funded through Medicaid.

After this veto, the total enacted amount for this bill is \$242 million comprised of \$178.1 million in unrestricted general funds, \$45.8 million of designated general funds, and \$18.1 million of other funds.

Message was received stating the Governor signed the following bill on September 13 and transmitted the engrossed and enrolled copies to the Lieutenant Governor's Office for permanent filing:

HOUSE CS FOR CS FOR SENATE BILL
NO. 185(L&C) "An Act relating to exemptions from
minimum wage."

Chapter 74, SLA 2022
Effective Date: 12/12/22

SB 45

Letter dated September 8 was received:

Dear President Micciche:

Under the authority vested in me by Article II, Section 15, Constitution of the State of Alaska, I have vetoed the following bill:

HOUSE CS FOR CS FOR SENATE BILL
NO. 45(FIN) am H "An Act raising the minimum age
to purchase, sell, exchange, or possess tobacco, a
product containing nicotine, or an electronic smoking
product; relating to selling a tobacco product; relating
to possession of tobacco, electronic smoking
products, or products containing nicotine by an
underaged person; relating to the definition of
'nicotine'; relating to transporting tobacco, a product
containing nicotine, or an electronic smoking
product; relating to the taxation of electronic smoking
products; relating to electronic smoking products;
relating to the marketing of electronic smoking
products; relating to tobacco products; and providing
for an effective date."

Senate Bill 45 sought to create parity amongst tobacco users by expanding an excise tax on tobacco products other than cigarettes (OTP) to include electronic smoking products (ESPs). ESPs are currently not subject to state-level taxes as they are not considered cigarettes or OTP under current law, and this bill would tax them at 35% of wholesale value.

There were many conversations about what an appropriate level to tax would be, but ultimately a tax increase on the people of Alaska is not something I can support.

While SB 45 would also increase the age in which a person can purchase nicotine products from 19 to 21, it is not possible to separate out components of a bill once it has been passed by the Legislature. Therefore, I have chosen to veto HCS CSSB 45(FIN) AM H.

Sincerely,

/s/

Mike Dunleavy
Governor
