6	Assumption of 404 Program	4,965,300	

7 It is the intent of the legislature that the commissioner of environmental conservation make a
8 report available to the legislature not later than the 10th day following the convening of each
9 first regular session of the legislature. The report may include information considered
10 significant by the commissioner but must include (1) the number of permits adjudicated by
11 the department during the preceding fiscal year, (2) a summary of the compensatory
12 mitigation authorized by the department during the preceding fiscal year, and (3) the funds
13 received and expended to administer the program during the preceding fiscal year. The
14 commissioner shall submit the report to the chief clerk of the house of representatives and the
15 senate secretary and notify the legislature that the report is available."
