11                   (f) An active member of this plan who is also employed in a position in the  
 12                   public employees' retirement plan under AS 39.35.095 - 39.35.680 may elect to  
 13                   participate solely in this plan if

14                               (1) the member directs the public employees' retirement plan employer  
 15                   in writing to

16   (A) pay into this plan the employer contributions required for a  
 17                   member under AS 14.25.009 - 14.25.220; and

18   (B) deduct from the member's salary and pay into this plan

19   (i) the employee contributions required for a member  
 20                   under AS 14.25.009 - 14.25.220; and

21   (ii) an amount equal to the difference between the total  
 22                   employer and state contributions required for a member under  
 23                   AS 14.25.009 - 14.25.220 and the employer contributions that would be  
 24                   required under AS 39.35.095 - 39.35.680 if the member participated in  
 25                   that plan; and

26                               (2) the member provides written notice to the administrator.

27                   (g) An active member of this plan who elects to participate solely in this plan  
 28                   under (f) of this section may not, while participating solely in this plan, receive  
 29                   credited service for benefit eligibility for service performed in a position in the public  
 30                   employees' retirement plan.

31                   (h) A teacher who became a member of the system after June 30, 2006, and

1 before July 1, 2024, or who has elected under former AS 14.25.540 to participate in  
 2 the defined contribution retirement plan under AS 14.25.310 - 14.25.590, is subject to  
 3 AS 14.25.009 - 14.25.220 and is not eligible to participate in the defined contribution  
 4 retirement plan established in AS 14.25.310 - 14.25.590 if the teacher

5 (1) is not employed by an employer on July 1, 2024;

6 (2) is reemployed by an employer after July 1, 2024; and

7 (3) has, before the date of reemployment, received

8 (A) a distribution, other than a rollover distribution, of the  
 9 entire balance in the teacher's individual account in the defined contribution  
 10 retirement plan; or

11 (B) a rollover distribution of the entire balance in the teacher's  
 12 individual account in the defined contribution retirement plan under  
 13 AS 14.25.310 - 14.25.590 and has not within 180 days of reemployment had  
 14 all or part of a direct rollover distribution from an eligible retirement plan  
 15 owned by the teacher paid directly into the teacher's individual account under  
 16 AS 14.25.310 - 14.25.590.

17 \* **Sec. 5.** AS 14.25 is amended by adding a new section to read:

18 **Sec. 14.25.044. Election of defined benefit retirement plan by reemployed**  
 19 **teachers.** (a) A teacher may make a one-time election to participate in the defined  
 20 benefit retirement plan under AS 14.25.009 - 14.25.220 if the teacher

21 (1) became a member of the defined contribution retirement plan under  
 22 AS 14.25.310 - 14.25.590 after June 30, 2006, and before July 1, 2024;

23 (2) is not employed by an employer on July 1, 2024;

24 (3) is reemployed by an employer after July 1, 2024; and

25 (4) before the date of reemployment,

26 (A) has not received a distribution of the entire balance in the  
 27 teacher's individual account under the defined contribution retirement plan  
 28 under AS 14.25.310 - 14.25.590; or

29 (B) has received a rollover distribution of the entire balance in  
 30 the teacher's individual account in the plan under AS 14.25.310 - 14.25.590  
 31 and has within 180 days of reemployment had all or part of a direct rollover

1 distribution from an eligible retirement plan owned by the teacher paid directly  
2 into the teacher's individual account under AS 14.25.310 - 14.25.590.

3 (b) An election under (a) of this section may be made not more than 180 days  
4 after the date of reemployment. A reemployed teacher electing to participate under (a)  
5 of this section shall use the balance of the member's individual account in the plan  
6 under AS 14.25.310 - 14.25.590, including any rollover contributions, to purchase  
7 credited service in the plan under AS 14.25.009 - 14.25.220. An election made under  
8 (a) of this section must be made in writing in the manner prescribed by the  
9 administrator. An election made by a teacher who is married is not effective unless the  
10 election is signed by the teacher's spouse. The administrator shall provide a teacher  
11 who is eligible to make an election under (a) of this section with information about the  
12 potential consequences of the teacher's election, including calculations to illustrate the  
13 effect of moving the teacher's retirement plan from a defined contribution retirement  
14 plan to a defined benefit retirement plan.

15 (c) An election made under (a) of this section to participate in the plan under  
16 AS 14.25.009 - 14.25.220 is irrevocable. On the effective date of the election, the  
17 teacher shall be enrolled as a member of the plan, and the teacher's participation in the  
18 plan shall be governed by the applicable provisions of the plan. The teacher's  
19 enrollment in the plan is retroactive to the date of hire.

20 (d) When a teacher makes an election under this section, the administrator  
21 shall cause the total amount of the teacher's member and employer contributions to the  
22 plan under AS 14.25.310 - 14.25.590, with investment earnings and losses through the  
23 day of the teacher's election to participate as a member in the plan under AS 14.25.009  
24 - 14.25.220, to be actuarially calculated and, subject to (f) of this section, transferred  
25 to the retirement fund in the plan under AS 14.25.009 - 14.25.220. On the effective  
26 date of the teacher's participation in the plan under AS 14.25.009 - 14.25.220, the  
27 teacher shall be credited with service in the plan. The board shall determine the cost of  
28 the teacher's actual service time based on the teacher's accrued actuarial liability of  
29 pension benefits in the plan, and credit the teacher with service time equal to the value  
30 actuarially calculated and transferred to the retirement fund in the plan under  
31 AS 14.25.009 - 14.25.220. The board shall adopt regulations establishing transfer

1 procedures. The transfer may not occur later than 60 days after the date the  
2 administrator receives the teacher's election, unless the major financial markets for  
3 securities available for a transfer are seriously disrupted by an unforeseen event that  
4 also causes the suspension of trading on any national securities exchange in the  
5 country where the securities were issued. In that event, the 60-day period may be  
6 extended by a resolution of the board. A transfer is not commissionable or subject to  
7 other fees and may be in the form of cash or a security as determined by the board. A  
8 security shall be valued on the date of receipt in the teacher's account.

9 (e) When making a transfer under (d) of this section or a transfer for a  
10 reemployed teacher subject to the plan under AS 14.25.040(h), the administrator shall  
11 transfer

12 (1) an amount equal to the decrease in the accrued actuarial liability of  
13 the death and disability trust in the plan established under AS 14.25.310 - 14.25.590  
14 resulting from the transfer as of the date of transfer, based on the most recent actuarial  
15 valuation of the death and disability trust, from the death and disability trust in the  
16 plan established under AS 14.25.310 - 14.25.590 to the retirement fund in the plan  
17 established under AS 14.25.009 - 14.25.220; and

18 (2) an amount equal to the increase in the accrued actuarial liability of  
19 the health care trust in the plan established under AS 14.25.009 - 14.25.220 resulting  
20 from the transfer as of the date of transfer, based on the actuarial assumptions set out  
21 in (g) of this section, from the trust established under AS 39.30.097(b) for the  
22 prefunding of medical benefits provided by AS 14.25.480 to the trust established  
23 under AS 39.30.097(a) for the prefunding of medical benefits provided by  
24 AS 14.25.171.

25 (f) If the value actuarially calculated under (d) of this section is insufficient to  
26 pay for service credit equal to the teacher's actual service time, the administrator shall  
27 allow the teacher the option of purchasing service credit in an amount up to the  
28 amount needed to eliminate the insufficiency; however, if that value exceeds the  
29 amount needed to pay for service credit equal to the teacher's actual service, the  
30 administrator shall cause the excess to be paid to the employee as a rollover transfer to  
31 either an individual employee annuity account in the Department of Administration

1 under the terms of AS 39.30.150 - 39.30.180 (State of Alaska Supplemental Annuity  
 2 Plan) or, if the member's employer does not participate in the State of Alaska  
 3 Supplemental Annuity Plan, to an eligible retirement plan as defined in  
 4 AS 14.25.360(d). An excess may not be used to purchase additional service credit in  
 5 the plan under AS 14.25.009 - 14.25.220. When a reemployed teacher enters the plan  
 6 under AS 14.25.040(h), the administrator shall allow the teacher to pay for a period of  
 7 service credit up to the teacher's actual service. When a teacher elects to purchase  
 8 service credit under this section and does not immediately pay for the service credit  
 9 purchased, an indebtedness is established. Interest as prescribed by regulation accrues  
 10 on a teacher's indebtedness. Indebtedness that exists at the time the teacher is  
 11 appointed to retirement necessitates an actuarial adjustment to the benefits payable due  
 12 to service in the defined contribution retirement plan.

13 (g) Actuarial assumptions about the plan under AS 14.25.009 - 14.25.220  
 14 must be based on the most recent actuarial valuation of the plan, except that the  
 15 retirement rates are computed at 25 percent of the retirement rates used in the most  
 16 recent actuarial valuation of the retirement fund plus 75 percent of the retirement rates  
 17 used in the most recent actuarial valuation of the plan under AS 14.25.310 - 14.25.590.

18 (h) The provisions of this section are subject to the requirements of the  
 19 Internal Revenue Code and the limitations under AS 14.25.010, 14.25.181,  
 20 14.25.320(c) and (d), and 14.25.490.

21 \* Sec. 6. AS 14.25.048(b) is amended to read:

22 (b) An employee or former employee **who first became a member of the**  
 23 **plan before July 1, 2006**, may receive credit for retroactive membership service for  
 24 employment before June 5, 1988, if the employee or former employee met the  
 25 requirements listed in (a) of this section at the time of the employment. To receive  
 26 credit for the retroactive membership service, the employee or former employee shall  
 27 claim the service and pay the retroactive contributions required under **former**  
 28 AS 14.25.061. However, an employee or former employee may not receive retroactive  
 29 credit under this subsection if the employee received credited service under AS 39.35  
 30 for the employment.

31 \* Sec. 7. AS 14.25.048(c) is amended to read:

1 (c) An employee or former employee who first became a member of the  
2 plan before July 1, 2006, and who received credit under AS 39.35 for service that  
3 qualifies under (a) of this section may elect to transfer those periods of employment to  
4 the plan. To receive credit for retroactive membership service under this subsection,  
5 the employee or former employee shall claim the service and pay the retroactive  
6 contributions required under former AS 14.25.061.

7 \* **Sec. 8** AS 14.25.050(a) is amended to read:

8 (a) Except as provided in (c) and (e) of this section, beginning January 1,  
9 1991, each member shall contribute to the plan an amount equal to 8.65 percent of the  
10 member's base salary accrued from July 1 to the following June 30. [THE  
11 EMPLOYER SHALL DEDUCT THE CONTRIBUTION FROM THE MEMBER'S  
12 SALARY AT THE END OF EACH PAYROLL PERIOD, AND THE  
13 CONTRIBUTION SHALL BE CREDITED BY THE PLAN TO THE MEMBER  
14 CONTRIBUTION ACCOUNT. THE CONTRIBUTIONS SHALL BE DEDUCTED  
15 FROM EMPLOYEE COMPENSATION BEFORE THE COMPUTATION OF  
16 APPLICABLE FEDERAL TAXES AND SHALL BE TREATED AS EMPLOYER  
17 CONTRIBUTIONS UNDER 26 U.S.C. 414(h)(2). A MEMBER MAY NOT HAVE  
18 THE OPTION OF MAKING THE PAYROLL DEDUCTION DIRECTLY IN CASH  
19 INSTEAD OF HAVING THE CONTRIBUTION PICKED UP BY THE  
20 EMPLOYER.]

21 \* **Sec. 9.** AS 14.25.050 is amended by adding new subsections to read:

22 (e) A member who first participates in the plan after June 30, 2006, shall  
23 contribute to the plan an amount equal to eight percent of the member's base salary  
24 accrued from July 1 to the following June 30. The board may, from time to time,  
25 adjust the contribution under this subsection to an amount that,

26 (1) if decreased, is not less than eight percent of the member's base  
27 salary; and

28 (2) if increased, is not more than 12 percent of the member's base  
29 salary.

30 (f) The employer shall deduct a contribution under this section from the  
31 member's salary at the end of each payroll period, and the contribution shall be

1 credited by the plan to the member contribution account. The contributions shall be  
2 deducted from member compensation before the computation of applicable federal  
3 taxes and shall be treated as employer contributions under 26 U.S.C. 414(h)(2). A  
4 member may not have the option of making the payroll deduction directly in cash  
5 instead of having the contribution picked up by the employer.

6 (g) The board shall increase the member contribution under (e) of this section  
7 if the board determines that, unless the contribution is increased, the portion of the  
8 liability of the plan that is attributable to all members who first became members of  
9 the plan after June 30, 2006, will be funded below 90 percent. The board may not  
10 increase the member contribution unless the board increases the employer contribution  
11 under AS 14.25.070(a)(2) by an equal amount. The board may decrease the  
12 contribution under (e) of this section if the board determines that, after the  
13 contribution is decreased, the portion of the liability of the plan that is attributable to  
14 all members who first became members of the plan after June 30, 2006, will be funded  
15 above 90 percent. The board may not decrease the member contribution unless the  
16 board decreases the employer contribution under AS 14.25.070(a)(2) by an equal  
17 amount.

18 \* **Sec. 10.** AS 14.25.065(b) is amended to read:

19 (b) The contributions of employers under AS 14.25.070 must be transmitted to  
20 the plan for deposit in the retirement fund and the Alaska retiree health care trust at the  
21 close of each pay period. If the contributions are not submitted within the prescribed  
22 time limit, interest must be assessed on the outstanding contributions at [ONE AND  
23 ONE-HALF TIMES] the most recent actuarially determined rate of earnings for the  
24 plan from the date that contributions were originally due. Amounts due from an  
25 employer and interest as prescribed in this section may be claimed by the  
26 administrator from any agency of the state or political subdivision that has in its  
27 possession funds of the employer or that is authorized to disburse funds to the  
28 employer that are not restricted by statute or appropriation to a specific purpose. The  
29 amount claimed shall be certified by the administrator as sufficient to pay the  
30 contributions and interest due from the employer. The amount claimed shall be  
31 submitted to the administrator for deposit in the retirement fund and the Alaska retiree

1 health care trust.

2 \* **Sec. 11.** AS 14.25.070(a) is amended to read:

3 (a) Each employer shall contribute to the system every payroll period **the**  
4 **lesser of**

5 **(1) an amount calculated by applying a rate of 12.56 percent to the**  
6 **total of all base salaries paid by the employer to active members of the system and to**  
7 **members who are retired from the plan and reemployed under AS 14.20.136,**  
8 **including any adjustments to contributions required by AS 14.25.173(a); or**

9 **(2) an amount calculated by applying a rate established by the**  
10 **board under AS 37.10.220 to the total of all base salaries paid by the employer to**  
11 **active members of the system and to members who are retired from the plan and**  
12 **reemployed under AS 14.20.136, including any adjustments to contributions**  
13 **required by AS 14.25.173(a); the rate must be at least 12 percent and be sufficient**  
14 **to pay the actuarially determined employer normal cost, all contributions**  
15 **required under AS 14.25.350 and AS 39.30.370, and past service cost for**  
16 **members of the system.**

17 \* **Sec. 12.** AS 14.25.070 is amended by adding a new subsection to read:

18 (i) If the legislature appropriates funds for the purpose  
19 of decreasing an employer's contribution, the employer's contribution  
20 under (a) of this section shall decrease by that amount.

21 \* **Sec. 13.** AS 14.25.075(a) is amended to read:

22 (a) An employee who is eligible to purchase credited service under  
23 AS 14.25.047 or 14.25.048, a member who is eligible to purchase credited service  
24 under **former AS 14.25.061 or under** AS 14.25.048, 14.25.050, 14.25.060,  
25 [14.25.061,] 14.25.100, or 14.25.107, or a teacher who is eligible to purchase credited  
26 service under AS 14.20.345, **AS 14.25.044, 14.25.050** [AS 14.25.050], or 14.25.105,  
27 in lieu of making payments directly to the plan, may elect to have the member's  
28 employer make payments as provided in this section.

29 \* **Sec. 14.** AS 14.25.075(b) is amended to read:

30 (b) A member may elect to have the employer make payments for all or any  
31 portion of the amounts payable for the member's purchase of credited service through

1 a salary reduction program as follows:

2 (1) the amounts paid under a salary reduction program are in lieu of  
3 contributions by the member making the election; the electing member's salary or  
4 other compensation shall be reduced by the amount paid by the employer under this  
5 subsection;

6 (2) the member shall make an irrevocable election under this  
7 subsection to purchase credited service as permitted in **former AS 14.25.061 or in**  
8 **AS 14.20.345, AS 14.25.044, 14.25.047** [AS 14.25.047], 14.25.048, 14.25.050,  
9 14.25.060, [14.25.061,] 14.25.100, 14.25.105, or 14.25.107 before the member's  
10 termination of employment; the irrevocable election must specify the number of  
11 payroll periods that deductions will be made from the member's compensation and the  
12 dollar amount of deductions for each payroll period during the specified number of  
13 payroll periods; the deductions made under this paragraph cease upon the earlier of the  
14 member's termination of employment with the employer or the member's death;  
15 amounts paid by an employer under (f) of this section may not be applied toward the  
16 payment of the dollar amount of the deductions representing the portion of the credited  
17 service that is being purchased by the member through payroll deduction in  
18 accordance with the member's irrevocable election under this paragraph;

19 (3) amounts paid by an employer under this subsection shall be treated  
20 as employer contributions for the purpose of determining tax treatment under 26  
21 U.S.C. (Internal Revenue Code); the amounts paid by the employer under this section  
22 may not be included in the member's gross income for income tax purposes until those  
23 amounts are distributed by refund or retirement benefit payments.

24 \* **Sec. 15.** AS 14.25.075(i) is amended to read:

25 (i) On satisfaction of the eligibility requirements of  
26 **former AS 14.25.061 or of AS 14.20.345, AS 14.25.044, 14.25.047**  
27 **[AS 14.25.047], 14.25.048, 14.25.050, 14.25.060, [14.25.061,]**  
28 **14.25.100, 14.25.105, or 14.25.107,** the requirements of this section,  
29 and the administrative filing requirements specified by the  
30 administrator, the plan shall adjust the member's credited service  
31 history and add any additional service credits acquired.

1 \* **Sec. 16.** AS 14.25 is amended by adding a new section to read:

2           **Sec. 14.25.086. Sub-trust for members who first became members after**  
 3 **June 30, 2006.** The administrator shall deposit a portion of employer contributions  
 4 under AS 14.25.070 and 14.25.085 in a sub-trust of the retirement fund established by  
 5 the board for members who first became members after June 30, 2006. The amount  
 6 deposited, when combined with the amount separately computed for medical benefits  
 7 under AS 14.25.087, must be sufficient to pay the actuarially determined employer  
 8 normal cost and past service cost for members of the system who first became  
 9 members after June 30, 2006. When the amount sufficient to pay the actuarially  
 10 determined employer normal cost, all contributions required under AS 14.25.350 and

21 on the eligibility of the member to elect coverage. The alternate payee shall pay the  
22 full monthly premium for retiree major medical insurance coverage.

23 (n) The administrator shall

24 (1) inform a person entitled to retiree major medical insurance

4 AS 39.35.700 - 39.35.990 after June 30, 2006, and before July 1, 2024;

5 (2) is not employed by an employer on July 1, 2024;

6 (3) is reemployed by an employer after July 1, 2024; and

7 (4) before the date of reemployment,

8 (A) has not received a distribution of the entire balance in the  
9 employee's individual account under the defined contribution retirement plan  
10 established in AS 39.35.700 - 39.35.990; or

11 (B) has received a rollover distribution of the entire balance in  
12 the member's individual account in the defined contribution retirement plan  
13 and has within 180 days of reemployment had all or part of a direct rollover  
14 distribution from an eligible retirement plan owned by the member paid  
15 directly into the member's individual account.

16 (b) An election under (a) of this section may be made not more than 180 days  
17 after the date of reemployment. A reemployed employee electing to participate under  
18 (a) of this section shall use the balance of the employee's individual account in the  
19 plan under AS 39.35.700 - 39.35.990, including any rollover contributions, to  
20 purchase credited service in the plan under AS 39.35.095 - 39.35.680. An election  
21 made under (a) of this section must be made in writing in the manner prescribed by the  
22 administrator. An election made by an employee who is married is not effective unless  
23 the election is signed by the employee's spouse. The administrator shall provide an  
24 employee who is eligible to make an election under (a) of this section with  
25 information about the potential consequences of the employee's election, including  
26 calculations to illustrate the effect of moving the employee's retirement plan from a  
27 defined contribution retirement plan to a defined benefit retirement plan.

28 (c) An election made under (a) of this section to participate in the plan under  
29 AS 39.35.095 - 39.35.680 is irrevocable. On the effective date of the election, an  
30 eligible employee shall be enrolled as a member of the plan, and the employee's  
31 participation in the plan shall be governed by the applicable provisions of the plan.

1 The employee's enrollment in the plan is retroactive to the date of hire.

2 (d) When an eligible employee makes an election under this section, the  
3 administrator shall cause the total amount of the employee's employee and employer  
4 contributions to the plan under AS 39.35.700 - 39.35.990, with investment earnings  
5 and losses through the day of the employee's election to participate as a member in the  
6 plan under AS 39.35.095 - 39.35.680, to be actuarially calculated and, subject to (f) of  
7 this section, transferred to the pension fund in the plan under AS 39.35.095 -  
8 39.35.680. On the effective date of the employee's participation in the plan under  
9 AS 39.35.095 - 39.35.680, the employee shall be credited with service in the plan. The  
10 board shall determine the cost of the employee's actual service time based on the  
11 employee's accrued actuarial liability of pension benefits in the plan, and credit the  
12 employee with service time equal to the value actuarially calculated and transferred to  
13 the pension fund in the plan under AS 39.35.095 - 39.35.680. The board shall adopt  
14 regulations establishing transfer procedures. The transfer may not occur later than 60  
15 days after the date the administrator receives the employee's election, unless the major  
16 financial markets for securities available for a transfer are seriously disrupted by an  
17 unforeseen event that also causes the suspension of trading on any national securities  
18 exchange in the country where the securities were issued. In that event, the 60-day  
19 period may be extended by a resolution of the board. A transfer is not commissionable  
20 or subject to other fees and may be in the form of cash or a security as determined by  
21 the board. A security shall be valued on the date of receipt in the employee's account.

22 (e) When making a transfer under (d) of this section or a transfer for a  
23 reemployed employee subject to the plan under AS 39.35.095(b), the administrator  
24 shall transfer

25 (1) an amount equal to the decrease in the accrued actuarial liability of  
26 the death and disability trust in the plan under AS 39.35.700 - 39.35.990 resulting  
27 from the transfer as of the date of transfer, based on the most recent actuarial valuation  
28 of the death and disability trust, from the death and disability trust in the plan under  
29 AS 39.35.700 - 39.35.990 to the pension fund in the plan under AS 39.35.095 -  
30 39.35.680; and

31 (2) an amount equal to the increase in the accrued actuarial liability of

1 the health care trust in the plan under AS 39.35.095 - 39.35.680 resulting from the  
2 transfer as of the date of transfer, based on the actuarial assumptions set out in (g) of  
3 this section, from the trust established under AS 39.30.097(b) for the prefunding of  
4 medical benefits provided by AS 39.35.880 to the trust established under  
5 AS 39.30.097(a) for the prefunding of medical benefits provided by AS 39.35.537.

6 (f) If the value actuarially calculated under (d) of this section is insufficient to  
7 pay for service credit equal to the employee's actual service, the administrator shall  
8 allow the employee the option of purchasing service credit in an amount up to the  
9 amount needed to eliminate the insufficiency; however, if that value exceeds the  
10 amount needed to pay for service credit equal to the employee's actual service, the  
11 administrator shall cause the excess to be paid to the employee as a rollover transfer to  
12 either an individual employee annuity account in the Department of Administration  
13 under the terms of AS 39.30.150 - 39.30.180 (State of Alaska Supplemental Annuity  
14 Plan) or, if the member's employer does not participate in the State of Alaska  
15 Supplemental Annuity Plan, to an eligible retirement plan as defined in  
16 AS 39.35.760(d). An excess may not be used to purchase additional service credit in  
17 the plan under AS 39.35.095 - 39.35.680. When a reemployed employee enters the  
18 plan under AS 39.35.095(b), the administrator shall allow the employee to pay for a  
19 period of service credit up to the employee's actual service. When an employee elects  
20 to purchase service credit under this section and does not immediately pay for the  
21 service credit purchased, an indebtedness is established. Interest as prescribed by  
22 regulation accrues on an employee's indebtedness. Indebtedness that exists at the time  
23 the employee is appointed to retirement necessitates an actuarial adjustment to the  
24 benefits payable due to service in the defined contribution retirement plan.

25 (g) Actuarial assumptions about the plan under AS 39.35.095 - 39.35.680  
26 must be based on the most recent actuarial valuation of the plan, except that the  
27 retirement rates are computed at 25 percent of the retirement rates used in the most  
28 recent actuarial valuation of the pension fund for the plan plus 75 percent of the  
29 retirement rates used in the most recent actuarial valuation of the plan under  
30 AS 39.35.700 - 39.35.990.

31 (h) The provisions of this section are subject to the requirements of the

1 Internal Revenue Code and the limitations under AS 39.35.115, 39.35.678,  
2 39.35.710(c) and (d), and 39.35.895. In this subsection, "Internal Revenue Code" has  
3 the meaning given in AS 39.35.990.

4 \* **Sec. 60.** AS 39.35.160(a) is amended to read:

5 (a) **Subject to (e) of this section, beginning** [BEGINNING] January 1, 1987,  
6 each peace officer or firefighter shall contribute to the plan an amount equal to seven  
7 and one-half percent of the peace officer's or firefighter's compensation, **and, except** [.   
8 EXCEPT] as provided in **(d) - (e)** [(d)] of this section, beginning January 1, 1987,  
9 each other employee shall contribute to the plan an amount equal to six and three-  
10 quarters percent of the employee's compensation. [THE CONTRIBUTIONS SHALL  
11 BE DEDUCTED BY THE EMPLOYER AT THE END OF EACH PAYROLL  
12 PERIOD. THE CONTRIBUTIONS SHALL BE DEDUCTED FROM EMPLOYEE  
13 COMPENSATION BEFORE COMPUTATION OF APPLICABLE FEDERAL  
14 TAXES, AND THE CONTRIBUTIONS SHALL BE TREATED AS EMPLOYER  
15 CONTRIBUTIONS UNDER 26 U.S.C. 414(h)(2). A MEMBER MAY NOT HAVE  
16 THE OPTION OF MAKING THE PAYROLL DEDUCTION DIRECTLY INSTEAD  
17 OF HAVING THE CONTRIBUTION PICKED UP BY THE EMPLOYER.]

18 \* **Sec. 61.** AS 39.35.160 is amended by adding new subsections to read:

19 (e) An employee who first participates in the plan after June 30, 2006, shall  
20 contribute to the plan an amount equal to eight percent of the employee's  
21 compensation. The board may, from time to time, adjust the employee contribution  
22 under this subsection to an amount that,

23 (1) if decreased, is not less than eight percent of the employee's  
24 compensation; and

25 (2) if increased, is not more than 12 percent of the employee's  
26 compensation.

27 (f) Contributions under (a) and (e) of this section shall be deducted by the  
28 employer at the end of each payroll period. The contributions shall be deducted from  
29 employee compensation before computation of applicable federal taxes, and the  
30 contributions shall be treated as employer contributions under 26 U.S.C. 414(h)(2). A  
31 member may not have the option of making the payroll deduction directly instead of

1 having the contribution picked up by the employer.

2 (g) The board shall increase the employee contribution under (e) of this  
3 section if the board determines that, unless the contribution is increased, the portion of  
4 the liability of the plan that is attributable to employees who first participate in the  
5 plan after June 30, 2006, will be funded below 90 percent. The board may not increase  
6 the employee contribution unless the board increases the employer contribution under  
7 AS 39.35.255(a)(2) by an equal amount. The board may decrease the contribution  
8 under (e) of this section if the board determines that, after the contribution is  
9 decreased, the portion of the liability of the plan that is attributable to all members  
10 who first became members of the plan after June 30, 2006, will be funded above 90  
11 percent. The board may not decrease the employee contribution unless the board  
12 decreases the employer contribution under AS 39.35.255(a)(2) by an equal amount.

13 \* **Sec. 62.** AS 39.35.165(a) is amended to read:

14 (a) An employee who is eligible to purchase credited service under  
15 AS 39.35.159, 39.35.310 [AS 39.35.310], 39.35.330, 39.35.340, 39.35.342, 39.35.345,  
16 39.35.360, or 39.35.370, a member who is eligible to purchase credited service under  
17 AS 39.35.375, or an elected public official who is eligible to purchase credited service  
18 under AS 39.35.381 is an employee for purposes of this section. An employee may, in  
19 lieu of making payments directly to the plan, elect to have the employee's employer  
20 make payments as provided in this section.

21 \* **Sec. 63.** AS 39.35.165(b) is amended to read:

22 (b) An employee may elect to have the employer make payments for all or any  
23 portion of the amounts payable for the employee's purchase of credited service  
24 through a salary reduction program as follows:

25 (1) the amounts paid under a salary reduction program are in lieu of  
26 contributions by the employee making the election; the electing employee's salary or  
27 other compensation shall be reduced by the amount paid by the employer under this  
28 subsection;

29 (2) the employee shall make an irrevocable election under this section  
30 to purchase credited service as permitted in AS 39.35.159, 39.35.310 [AS 39.35.310],  
31 39.35.330, 39.35.340, 39.35.342, 39.35.345, 39.35.360, 39.35.370, 39.35.375, or

1 39.35.381 and before the employee's termination of employment; the irrevocable  
 2 election must specify the number of payroll periods that deductions will be made from  
 3 the employee's compensation and the dollar amount of deductions for each payroll  
 4 period during the specified number of payroll periods; the deductions made under this  
 5 paragraph cease upon the earlier of the member's termination of employment with the  
 6 employer or the member's death; amounts paid by an employer under (f) of this  
 7 section may not be applied toward the payment of the dollar amount of the deductions  
 8 representing the portion of the credited service that is being purchased by the member  
 9 through payroll deduction in accordance with the member's irrevocable election under  
 10 this subsection;

11 (3) amounts paid by an employer under this subsection shall be treated  
 12 as employer contributions for the purpose of determining tax treatment under the  
 13 Internal Revenue Code; the amounts paid by the employer under this section may not  
 14 be included in the member's gross income for income tax purposes until those amounts  
 15 are distributed by refund or retirement benefit payments.

16 \* **Sec. 64.** AS 39.35.165(g) is amended to read:

17 (g) Payments made under this section shall be applied to reduce the  
 18 employee's outstanding indebtedness described in AS 39.35.159, 39.35.310  
 19 [AS 39.35.310], 39.35.330, 39.35.340, 39.35.342, 39.35.345, 39.35.360, 39.35.370,  
 20 39.35.375, or 39.35.381 at the time that the contributions are received by the plan.

21 \* **Sec. 65.** AS 39.35.165(i) is amended to read:

22 (i) On satisfaction of the eligibility requirements of  
 23 AS 39.35.159, 39.35.310 [AS 39.35.310], 39.35.330, 39.35.340,  
 24 39.35.341, 39.35.345, 39.35.360, 39.35.370, 39.35.375, or 39.35.381,  
 25 the requirements of this section, and the administrative filing  
 26 requirements specified by the commissioner, the plan shall adjust the  
 27 employee's credited service history and add any additional service  
 28 credits acquired.

29 \* **Sec. 66.** AS 39.35.255(a) is amended to read:

30 (a) Each employer, except as provided in (h) of this section, shall contribute to  
 31 the system every payroll period the lesser of

1                   **(1)** an amount calculated by applying a rate of 22 percent of the greater  
2 of the total of all base salaries

3                   **(A)** [(1)] paid by the employer to employees who are active  
4 members of the system, including any adjustments to contributions required by  
5 AS 39.35.520; or

6                   **(B)** [(2)] paid by the employer to employees who were active  
7 members of the system during the corresponding payroll period for the fiscal  
8 year ending

9                                   **(i)** [(A)] June 30, 2008; or

10                                   **(ii)** [(B)] June 30, 2012, if that total is less than the total  
11 under **(i) of this subparagraph [(A) OF THIS PARAGRAPH]**, and the  
12 employer is a municipality in which the population decreased by more  
13 than 25 percent between 2000 and 2010, according to the decennial  
14 census conducted by the United States Bureau of the Census; **or**

15                   **(2) an amount calculated by applying a rate established by the**  
16 **board under AS 37.10.220 to the total of all base salaries paid by the employer to**  
17 **active members of the system; the rate must be at least 12 percent and be**  
18 **sufficient to pay the actuarially determined employer normal cost, all**  
19 **contributions required under AS 39.30.370 and AS 39.35.750, and past service**  
20 **cost for members of the system.**

21 \* **Sec. 667.** AS 39.35.255 is amended by adding a new subsection to read:

22                   (j) If the legislature appropriates funds for the purpose of decreasing an  
23 employer's contribution, the employer's contribution under (a) of this section shall  
24 decrease by that amount.

25 \* **Sec. 68.** AS 39.35 is amended by adding a new section to read:

26                   **Sec. 39.35.281. Sub-trust for members who first became members after**  
27 **June 30, 2006.** The administrator shall deposit a portion of employer contributions  
28 under AS 39.35.255 and 39.35.280 in a sub-trust of the retirement fund established by  
29 the board for members who first became members after June 30, 2006. The amount  
30 deposited, when combined with the amount separately computed for medical benefits  
31 under AS 39.35.282, must be sufficient to pay the actuarially determined employer

1 normal cost and past service cost for members of the system who first became  
 2 members after June 30, 2006. When the amount sufficient to pay the actuarially  
 3 determined employer normal cost, all contributions required under AS 39.30.370 and  
 4 AS 39.35.750, and past service cost for members of the system is less than 12 percent  
 5 of all base salaries paid to active members of the system, the administrator shall  
 6 deposit the difference in the sub-trust established under this section.

7 \* **Sec. 69.** AS 39.35.282 is amended to read:

8 **Sec. 39.35.282. Contributions for medical benefits.** Contributions made by  
 9 an employer under AS 39.35.255 and 39.35.280 **must** [SHALL] be separately  
 10 computed for benefits provided by AS 39.35.535 **and retiree major medical**  
 11 **insurance plan benefits provided under AS 39.35.537,** and **must** [SHALL] be  
 12 deposited in the Alaska retiree health care trust established under AS 39.30.097(a).

13 \* **Sec. 70.** AS 39.35.340(i) is amended to read:

14 (i) Notwithstanding (d) of this section, a member who  
 15 retires as a peace officer or firefighter may elect to use five or fewer  
 16 years of credited service granted under this section in computing years  
 17 of credited service under AS 39.35.535(c) **or 39.35.537.** When  
 18 eligibility for credited service for military service has been established  
 19 and an election under this subsection has been made, an indebtedness in  
 20 addition to the indebtedness determined under (b) of this section shall  
 21 be determined for each year of military service used under this  
 22 subsection, in an amount based on the increase, if any, in the present  
 23 value of future benefits for that year as determined by the department.

24 \* **Sec. 71.** AS 39.35.345(d) is amended to read:

25 (d) An employee may choose whether the credited service granted under this  
 26 section is used to satisfy the credited service requirements for normal retirement under  
 27 **AS 39.35.370(a)(1)(B) or (C), 39.35.370(a)(2)(B), (C), or (D),** [AS 39.35.370(a)(2)  
 28 OR (3)] or 39.35.385(f) or is only used for the calculation of benefits. An election  
 29 under this subsection is irrevocable and applies to all temporary credited service that  
 30 the employee has accrued when the employee retires. An election under this  
 31 subsection does not change the date that an employee is considered to have

1 commenced participation in the plan under AS 39.35.120.

2 \* **Sec. 72.** AS 39.35.370(a) is amended to read:

3 (a) Subject to AS 39.35.450, a terminated employee

4 **(1) who first became a member before July 1, 2006,** is eligible for a  
5 normal retirement benefit

6 **(A) [(1)]** at age 60 with at least five years of credited service;

7 **(B) [(2)]** with at least 20 years of credited service as a peace  
8 officer or firefighter; or

9 **(C) [(3)]** with at least 30 years of credited service;

10 **(2) who first became a member after June 30, 2006, is eligible for a**  
11 **normal retirement benefit**

12 **(A) at age 60 with at least five years of credited service;**

13 **(B) at age 55 with at least 20 years of credited service as a**  
14 **peace officer or firefighter;**

15 **(C) at age 50 with at least 25 years of credited service as a**  
16 **peace officer or firefighter; or**

17 **(D) with at least 30 years of credited service** [FOR ALL  
18 OTHER EMPLOYEES].

19 \* **Sec. 73.** AS 39.35.381(e) is amended to read:

20 (e) A person who retires under this section is not entitled to disability or death  
21 benefits under AS 39.35.400 - 39.35.440, a minimum benefit under AS 39.35.485, or  
22 to medical benefits under AS 39.35.535 or 39.35.537. Service earned under this  
23 section may not be used for vesting under AS 39.35.095 - 39.35.680.

24 \* **Sec. 74.** AS 39.35.475(b) is amended to read:

25 (b) **Subject to (g) and (h) of this section, the** [THE] increase in benefit  
26 payments applies to total benefit payments except for the cost-of-living allowance  
27 under AS 39.35.480. The amount of the increase is a percentage of the current benefit  
28 equal to

29 (1) the lesser of 75 percent of the increase in the cost of living in the  
30 preceding calendar year or nine percent, for recipients who on July 1 are at least 65  
31 years old and for members receiving disability benefits; and

1 (2) the lesser of 50 percent of the increase in the cost of living in the  
 2 preceding calendar year or six percent, for recipients who on July 1 are at least 60 but  
 3 less than 65 years old or for recipients who are less than 60 years old on July 1 but  
 4 who have received benefits from the plan for at least five years.

5 \* **Sec. 75.** AS 39.35.475 is amended by adding new subsections to read:

6 (g) Subject to (h) of this section, the amount of an increase for members who  
 7 first became members of the plan after June 30, 2006, and do not meet the eligibility  
 8 requirements for a permanent fund dividend in effect on July 1, 2024, under  
 9 AS 43.23.005(a) is equal to one-half of the applicable percentage under (b) of this  
 10 section.

11 (h) If the board determines that the portion of the liability of the plan that is  
 12 attributable to all members who first became members of the plan after June 30, 2006,  
 13 is funded below 90 percent, the board may reduce the amount of the increase  
 14 determined under (b) or (g) of this section that is payable to a member who first  
 15 became a member after June 30, 2006. At any time, the board may terminate a  
 16 reduction made under this subsection.

17 \* **Sec. 756.** AS 39.35.480(a) is amended to read:

18 (a) While residing in the state, a person **who first became a member of the**  
 19 **plan before July 1, 2006, who is** receiving a benefit under AS 39.35.095 - 39.35.680,  
 20 **and** who is 65 years of age or older or **a person who first became a member of the**  
 21 **plan before July 1, 2006, and** who is receiving a disability benefit is entitled to  
 22 receive a monthly cost-of-living allowance in addition to the basic benefit. The  
 23 amount of this allowance shall be \$50 or 10 percent of the basic benefit, whichever is  
 24 greater.

25 \* **Sec. 77.** AS 39.35.535(a) is amended to read:

26 (a) Except as provided in (d) **and (g)** of this section, the following persons are  
 27 entitled to major medical insurance coverage under this section:

28 (1) for employees first hired before July 1, 1986,

29 (A) an employee who is receiving a monthly benefit from the  
 30 plan and who has elected coverage;

31 (B) the spouse and dependent children of the employee

1 described in (A) of this paragraph;

2 (C) the surviving spouse of a deceased employee who is  
3 receiving a monthly benefit from the plan and who has elected coverage;

4 (D) the dependent children of a deceased employee who are  
5 dependent on the surviving spouse described in (C) of this paragraph;

6 (2) for members first hired [ON OR] after **June 30** [JULY 1], 1986,

7 (A) an employee who is receiving a monthly benefit from the  
8 plan and who has elected coverage for the employee;

9 (B) the spouse of the employee described in (A) of this  
10 paragraph if the employee elected coverage for the spouse;

24 an active member for at least 12 months before application for retirement and the  
25 member

26 (1) is at least

27 (A) 50 years of age and has at least 25 years of membership

6 (c) The medical benefits available to eligible persons are access to the retiree  
7 major medical insurance plan and access to the health reimbursement arrangement  
8 plan under AS 39.30.300. Access to the retiree major medical insurance plan means  
9 that an eligible person may not be denied insurance coverage except for failure to pay  
10 the required premium.

11 (d) Retiree major medical insurance plan coverage elected by an eligible  
12 member under this section covers the eligible member, the spouse of the eligible  
13 member, and the dependent children of the eligible member.

18 order to participate in the health reimbursement arrangement plan.

25 person applies for retirement and medical benefits, whichever is later.

26 (i) Major medical insurance coverage takes effect on the  
27 first day of the month following the date of the administrator's approval  
28 of the election and stops when the person who elects coverage dies or  
29 fails to make a required premium payment.

30 (j) The coverage for persons 65 years of age or older is the same as that  
31 available for persons under 65 years of age. The benefits payable to those persons 65

2 survivors, and disability insurance program.

3 (k) The medical and optional insurance premiums owed by the person who  
4 elects coverage may be deducted from the health reimbursement arrangement plan. If  
5 the amount of the health reimbursement arrangement plan becomes insufficient to pay  
6 the premiums, the person who elects coverage under (a) of this section shall pay the  
7 premiums directly.

8 (l) The cost of premiums for retiree major medical insurance coverage under  
9 this section for an eligible member or surviving spouse who is

21 years of service;

22 (E) 10 percent if the member had 30 or more years of service.

23 (m) The eligibility for retiree major medical insurance coverage for an  
24 alternate payee under a qualified domestic relations order shall be determined based  
25 on the eligibility of the member to elect coverage. The alternate payee shall pay the  
26 full monthly premium for retiree major medical insurance coverage.

27 (n) The administrator shall

28 (1) inform a person entitled to retiree major medical insurance  
29 coverage under this section in writing

30 (A) that the health insurance coverage available to retired  
31 members may be different from the health insurance coverage provided to

1 employees;

7 whether the person has chosen to receive optional health insurance coverage.

8 (o) The monthly group premiums for retiree major medical insurance coverage  
9 under this section are established by the administrator in accordance with  
10 AS 39.30.095. Nothing in this chapter guarantees a person who elects coverage under

13 for coverage for that month.
