3 **** Section 1.** The uncodified law of the State of Alaska is amended by adding a new section
4 to read:

5 LEGISLATIVE FINDINGS. The legislature recognizes the inherent conflicts, and
6 increasing cost to ratepayers over time, of maintaining a state-supported integrated
7 transmission system in which nonprofit electric utilities cannot withdraw profits and
8 independent power producers can withdraw profits. Accordingly, the legislature recognizes
9 the likelihood that, by 2038, either all independent power producers that participate in the
10 integrated transmission system will be nonprofit entities or all utilities that participate in the
11 integrated transmission system will be for-profit entities."
