2 Insert new subsections to read:

3 "(f) A law enforcement agency or emergency communications center may  
4 request information from a wireless carrier under this section only if a designated  
5 person within the law enforcement agency or emergency communications center  
6 approves the request. Each law enforcement agency and emergency communications  
7 center shall designate at least one person within the law enforcement agency or  
8 emergency communications center as a person authorized to approve a request under  
9 this subsection.

10 (g) Each law enforcement agency and emergency communications center shall  
11 establish standards and procedures for the implementation of this section. The  
12 standards and procedures must, at a minimum, provide for designation of at least one  
13 person within the law enforcement agency or emergency communications center as a  
14 person who has authority to approve a request under (f) of this section."
