5 to read:

6 **LEGISLATIVE FINDINGS AND INTENT.** (a) The legislature finds that

7 (1) maintaining fairness in athletic opportunities for women is an important  
8 state interest;

9 (2) requiring the designation of separate sex-specific athletic teams or sports is  
10 necessary to maintain fairness in athletic opportunities for women;

11 (3) significant biological and physiological differences between males and  
12 females, including greater strength, speed, and endurance capabilities among males on  
13 average, provide a competitive advantage to male athletes in sports; and

14 (4) having separate sex-specific teams furthers efforts to promote sex equality

1 and that discrimination against women and girls in sports is counter to that effort.

2 (b) It is the intent of the legislature to preserve an even playing field in school athletic  
3 programs, to maintain opportunities for female athletes to demonstrate their strength, skills,  
4 and athletic abilities, and to provide female athletes with opportunities to obtain recognition  
5 and accolades, college scholarships, and the numerous other long-term benefits that result  
6 from participating and competing in athletic endeavors.

7 \* **Sec. 2.** AS 14.18 is amended by adding new sections to read:

16 women, or girls must be female, based on the participant's biological sex as either

18 participant's birth certificate may be relied on to establish the participant's biological
