15 * **Sec. 4.** AS 21.96 is amended by adding new sections to read:

16 **Article 2. Health Care Insurance Policy Incentive Program.**

17 **Sec. 21.96.210. Access to payment information.** A health care insurer that
 18 offers a health care insurance policy in the group or individual market shall provide
 19 comprehensive comparison guidance by telephone and make available on the Internet
 20 website of the insurer a price comparison tool that, to the extent practicable, allows an
 21 individual enrolled in or covered under a health care insurance policy to compare the
 22 amount of cost sharing that the individual would be responsible for paying under the
 23 policy for a specific item or service provided in the same policy year and geographic
 24 region by each provider participating in the policy. At a minimum, the health care
 25 insurer shall comply with 42 U.S.C. 300gg-114.

26 **Sec. 21.96.220. Incentive program.** (a) A health care insurer that offers a
 27 health care insurance policy in the group or individual market shall develop and
 28 implement a program that provides a monetary incentive for a covered person enrolled
 29 in a health care insurance policy to elect to receive a covered health care service under
 30 the health care insurance policy from a health care provider that charges less than the
 31 median contracted rate recognized by the health care insurer for that health care

1 service.

2 (b) A health care insurer that offers a health care insurance policy in the group
3 or individual market shall provide an incentive payment to a covered person as
4 provided in this subsection. An incentive may be calculated as a percentage of the
5 difference in price as a flat dollar amount or by another reasonable methodology
6 adopted by the director by regulation. A health care insurer is not required to provide
7 an incentive payment to a covered person if the cost saved by the health care insurer is
8 \$200 or less.

9 (c) If a covered person receives coverage under a group health care insurance
10 policy offered by an employer, a health care insurer shall provide the covered person
11 with an incentive of at least 33.4 percent of the costs saved by the health care insurer
12 resulting from the covered person's election to receive a health care service from a
13 health care provider that charges less than the median of the contracted rates
14 recognized by the health care insurer for that health care service. The health care
15 insurer shall provide the employer with at least 33.3 percent of the costs saved by the
16 health care insurer resulting from the covered person's election.

17 (d) If a covered person receives coverage under a health care insurance policy
18 offered in the individual market, a health care insurer shall provide the covered person
19 with an incentive of at least 50 percent of the costs saved by the health care insurer
20 resulting from the covered person's election.

21 (e) An incentive payment to a covered person under this section is not
22 (1) a violation of AS 21.36.100; or
23 (2) an administrative expense of the health care insurer for rate
24 development or rate filing purposes.

25 **Sec. 21.96.230. Availability of program; notice.** A health care insurer that
26 offers a health care insurance policy in the group or individual market shall make an
27 incentive program under AS 21.96.220 available as a component of a health care
28 insurance policy offered in this state. Annually, at enrollment or renewal, a health care
29 insurer shall provide notice about the availability of the program to a person covered
30 under a health care insurance policy eligible for the program.

31 **Sec. 21.96.240. Filing requirements.** Before offering an incentive program

1 under AS 21.96.220, a health care insurer that offers a health care insurance policy in
 2 the group or individual market shall file a description of the program with the director
 3 in the manner determined by the director. The director may review the filing to
 4 determine whether the incentive program complies with the requirements of
 5 AS 21.96.210 - 21.96.300.

6 **Sec. 21.96.250. Out-of-network health care providers.** If a covered person
 7 participates in an incentive program under AS 21.96.220 and elects to receive a health
 8 care service under AS 21.96.220(a) from an out-of-network health care provider that
 9 results in a savings for the health care insurer, the health care insurer shall apply the
 10 amount paid for the health care service toward the cost sharing owed by the covered
 11 person as specified in the applicable health care insurance policy as if the health care
 12 services were provided by an in-network health care provider.

13 **Sec. 21.96.260. Reporting requirements.** (a) A health care insurer shall, at the
 14 request of the director, annually provide information to the director relating to an
 15 incentive program under AS 21.96.220 for the most recent calendar year that includes

- 16 (1) the total number of incentive payments;
- 17 (2) information on the use of the incentive program by category of
- 18 service;
- 19 (3) the total amount of incentive payments;
- 20 (4) the average amount of each incentive payment for each category of
- 21 service;
- 22 (5) the total savings achieved below the average price of the health
- 23 care service in each category of service; and
- 24 (6) the total number and percentage of covered persons who
- 25 participated in the incentive program.

26 (b) The director shall include the information provided under this section in
 27 the director's annual report under AS 21.06.110 and shall submit the annual report to
 28 the chairs of the committee in each house of the legislature with jurisdiction over labor
 29 and commerce.
