3 **Community, and Economic Development; and providing for an effective date."**

4 **BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

5 * **Section 1.** AS 21.03 is amended by adding a new section to read:

6 **Sec. 21.03.025. Direct health care agreements.** (a) A health care provider or
7 health care business and a patient or the representative of a patient may enter into a
8 direct health care agreement. Health care services provided under a direct health care
9 agreement are limited to the type of health care services that a primary care provider
10 may provide to a patient. A patient is not eligible to enter into a direct health care
11 agreement under this section if the patient is eligible to receive assistance under
12 AS 47.07 (Medical Assistance for Needy Persons) or AS 47.08 (Assistance for
13 Catastrophic Illness and Chronic or Acute Medical Conditions).

14 (b) To be eligible to enter into a direct health care agreement under this

1 section, a health care provider or health care business must

2 (1) accept new patients who are enrolled in the Medicare program; or

3 (2) maintain a practice in which 20 percent or more of the patients

4 (A) are enrolled in the Medicare program; or

5 (B) do not have health insurance.

6 (c) A direct health care agreement must

7 (1) describe the health care services that the health care provider or
8 health care business makes available to the patient in exchange for payment of a
9 periodic fee and each location at which the health care services are available;

10 (2) specify

11 (A) the amount of the periodic fee a patient or the
12 representative of a patient pays in exchange for the health care services that the
13 health care provider or health care business makes available to the patient;

14 (B) the period covered by the periodic fee under (A) of this
15 paragraph; and

16 (C) additional fees that the health care provider or health care
17 business may charge in addition to the periodic fee, including termination fees;
18 and

19 (3) identify and include contact information for a representative of the
20 health care provider or health care business that is responsible for receiving and
21 addressing

22 (A) a complaint made by a patient relating to the agreement;

23 and

24 (B) a request made by a patient to amend the agreement,
25 including a patient's request to change the name of the representative of the
26 patient or the patient's mailing address, physical address, telephone number,
27 electronic mail address, or other personal information.

28 (d) The amount of the periodic fee may not be based solely on the patient's
29 health status or sex.

30 (e) A health care provider or health care business may not decline to enter into
31 a direct health care agreement with a new patient or terminate a direct health care

1 agreement with an existing patient solely because of the patient's race, religion, color,
 2 national origin, age, sex, physical or mental disability, marital status, change in marital
 3 status, pregnancy, parenthood, or any other characteristic of a class of persons
 4 protected by a state law that prohibits discrimination.

5 (f) A health care provider or health care business may decline to enter into a
 6 direct health care agreement with a new patient if the health care provider or health
 7 care business

8 (1) is unable to provide to the patient the health care services the
 9 patient requires; or

10 (2) does not have the capacity to accept new patients.

11 (g) A health care provider or health care business may terminate a direct
 12 health care agreement with an existing patient based on the patient's health status only
 13 if the health care provider is unable to provide to the patient the health care services
 14 the patient requires or in accordance with this section.

15 (h) A patient or the representative of a patient may terminate a direct health
 16 care agreement in writing within 30 days after entering into the agreement. If a patient
 17 or representative terminates an agreement under this subsection, the health care
 18 provider or health care business shall, not later than 30 days after the patient or
 19 representative terminates the agreement, refund to the patient or representative
 20 payments made under the agreement, less payments made for services the health care
 21 provider or health care business has already performed that are not included in the
 22 periodic fee.

23 (i) A health care provider or health care business may immediately terminate a
 24 direct health care agreement if

25 (1) a patient's behavior threatens the safety of the health care provider,
 26 the staff of the health care provider or health care business, or other patients of the
 27 health care provider or health care business;

28 (2) a patient engages in disrespectful, derogatory, or prejudiced
 29 behavior that is within the patient's control and the patient does not stop the behavior
 30 even after the health care provider or the staff of the health care provider or health care
 31 business requests the patient to stop the behavior; or

1 (3) a patient or the representative of a patient breaches the terms of the
2 agreement.

3 (j) A patient or the representative of a patient may immediately terminate a
4 direct health care agreement if a health care provider or a health care business
5 breaches the terms of the agreement.

6 (k) A health care provider or health care business may not change the periodic
7 fee under the agreement more than once a year and shall provide at least 45 days'
8 written notice of a change in the periodic fee. If a health care provider or health care
9 business increases the amount of the periodic fee, a patient or the representative of a
10 patient may terminate the agreement by providing to the health care provider or health
11 care business written notice of the termination not later than the day before the date on
12 which the change to the periodic fee is scheduled to take effect.

13 (l) Except as otherwise provided in this section, a health care provider, a
14 health care business, a patient, or the representative of a patient may terminate a direct
15 health care agreement for any reason in writing after at least 30 days' notice.

16 (m) A health care provider or health care business may charge a termination
17 fee only for termination of an agreement by a patient or the representative of a patient
18 under (h) of this section. The termination fee may not exceed an amount equal to one
19 month's cost of the periodic fee.

20 (n) Upon termination of an agreement under (k) or (l) of this section, the
21 patient shall pay the health care provider or health care business the periodic fee,
22 prorated through the date of termination of the agreement, and any additional fees for
23 services the health care provider or health care business has already performed that are
24 not included in the periodic fee.

25 (o) A health care provider or health care business may bill a patient or the
26 representative of a patient for the periodic fee only after the end of the period to which
27 the periodic fee applies.

28 (p) A patient's employer may pay the periodic fee and additional fees the
29 patient owes a health care provider or health care business under a direct health care
30 agreement. A payment by the employer under this subsection does not constitute
31 engaging in the business of insurance or underwriting in this state, and the employer is

1 not an insurer, a health maintenance organization, a health care insurer, or a medical
2 service corporation by virtue of the payment.

3 (q) A direct health care agreement and a health care provider or health care
4 business providing health care services under a direct health care agreement are
5 subject to AS 21.36 (Trade Practices and Frauds) to the extent applicable and when
6 not in conflict with the express provisions of this section.

7 (r) A health care provider or health care business may not make, publish,
8 disseminate, circulate, broadcast, or place before the public, or cause, directly or
9 indirectly, to be made, published, disseminated, circulated, broadcast, or placed before
10 the public, in a newspaper, magazine, or other publication, or in the form of a notice,
11 circular, pamphlet, letter, or poster, or over a radio or television station, or in any other
12 way, an advertisement, announcement, or statement containing an assertion,
13 representation, or statement that is untrue, deceptive, or misleading with respect to

14 (1) the terms of or the benefits or advantages provided by a direct
15 health care agreement;

16 (2) the characterization of a direct health care agreement, including the
17 characterization of a direct health care agreement as health insurance or an alternative
18 to health insurance;

19 (3) the business of a direct health care agreement.

20 (s) The director shall adopt regulations regulating direct health care
21 agreements that are consistent with this section.

22 (t) Except as provided in this section, a health care provider or health care
23 business that offers or executes a direct health care agreement that complies with this
24 section is not otherwise subject to this title.
