8 SECTION 1. PURPOSE

9 The purpose of this Compact is to facilitate interstate practice of audiology and
10 speech-language pathology with the goal of improving public access to audiology and
11 speech-language pathology services. The practice of audiology and speech-language
12 pathology occurs in the state where the patient/client/student is located at the time of
13 the patient/client/student encounter. The Compact preserves the regulatory authority of
14 states to protect public health and safety through the current system of state licensure.
15 This Compact is designed to achieve the following objectives:

- 16 (1) Increase public access to audiology and speech-language pathology
17 services by providing for the mutual recognition of other member state licenses;
- 18 (2) Enhance the states' ability to protect the public's health and safety;
- 19 (3) Encourage the cooperation of member states in regulating
20 multistate audiology and speech-language pathology practice;
- 21 (4) Support spouses of relocating active duty military personnel;
- 22 (5) Enhance the exchange of licensure, investigative and disciplinary
23 information between member states;
- 24 (6) Allow a remote state to hold a provider of services with a compact
25 privilege in that state accountable to that state's practice standards; and

29 among member states regarding the verification of eligibility for licensure through the

16 home state, and the license issued by the prior home state shall be deactivated in
17 accordance with applicable rules adopted by the Commission.

18 (d) The audiologist or speech-language pathologist may apply for licensure in

21 speech-language pathologist provides satisfactory evidence of a change in primary
22 state of residence to the new home state and satisfies all applicable requirements to
23 obtain a license from the new home state.

24 (f) If an audiologist or speech-language pathologist changes primary state of
25 residence by moving from a member state to a non-member state, the license issued by

9 privilege in any remote state until the following occur:

10 (1) The home state license is no longer encumbered; and

11 (2) Two years have elapsed from the date of the adverse action.

12 (k) Once an encumbered license in the home state is restored to good standing,
13 the licensee must meet the requirements of Section 4(a) to obtain a compact privilege
14 in any remote state.

15 (l) Once the requirements of Section 4(j) have been met, the licensee must

22 Compact and rules promulgated by the Commission.

23 SECTION 6. ACTIVE DUTY MILITARY PERSONNEL OR THEIR SPOUSES

24 Active duty military personnel, or their spouse, shall designate a home state
25 where the individual has a current license in good standing. The individual may retain
26 the home state designation during the period the service member is on active duty.
27 Subsequent to designating a home state, the individual shall only change their home
28 state through application for licensure in the new state.

29 SECTION 7. ADVERSE ACTIONS

30 (a) In addition to the other powers conferred by state law, a remote state shall
31 have the authority, in accordance with existing state due process law, to:

1 (1) Take adverse action against an audiologist's or speech-language
2 pathologist's privilege to practice within that member state.

3 (2) Issue subpoenas for both hearings and investigations that require
4 the attendance and testimony of witnesses as well as the production of evidence.
5 Subpoenas issued by a licensing board in a member state for the attendance and
6 testimony of witnesses or the production of evidence from another member state shall
7 be enforced in the latter state by any court of competent jurisdiction, according to the
8 practice and procedure of that court applicable to subpoenas issued in proceedings
9 pending before it. The issuing authority shall pay any witness fees, travel expenses,
10 mileage and other fees required by the service statutes of the state in which the
11 witnesses or evidence are located.

12 (3) Only the home state shall have the power to take adverse action
13 against an audiologist's or speech-language pathologist's license issued by the home
14 state.

15 (b) For purposes of taking adverse action, the home state shall give the same
16 priority and effect to reported conduct received from a member state as it would if the
17 conduct had occurred within the home state. In so doing, the home state shall apply its
18 own state laws to determine appropriate action.

19 (c) The home state shall complete any pending investigations of an audiologist
20 or speech-language pathologist who changes primary state of residence during the
21 course of the investigations. The home state shall also have the authority to take
22 appropriate action(s) and shall promptly report the conclusions of the investigations to
23 the administrator of the data system. The administrator of the coordinated licensure
24 information system shall promptly notify the new home state of any adverse actions.

25 (d) If otherwise permitted by state law, the member state may recover from the
26 affected audiologist or speech-language pathologist the costs of investigations and
27 disposition of cases resulting from any adverse action taken against that audiologist or
28 speech-language pathologist.

29 (e) The member state may take adverse action based on the factual findings of
30 the remote state, provided that the member state follows the member state's own
31 procedures for taking the adverse action.

1 (f) Joint Investigations

2 (1) In addition to the authority granted to a member state by its
3 respective audiology or speech-language pathology practice act or other applicable
4 state law, any member state may participate with other member states in joint
5 investigations of licensees.

6 (2) Member states shall share any investigative, litigation, or
7 compliance materials in furtherance of any joint or individual investigation initiated
8 under the Compact.

9 (g) If adverse action is taken by the home state against an audiologist's or
10 speech-language pathologist's license, the audiologist's or speech-language
11 pathologist's privilege to practice in all other member states shall be deactivated until
12 all encumbrances have been removed from the state license. All home state
13 disciplinary orders that impose adverse action against an audiologist's or speech-
14 language pathologist's license shall include a statement that the audiologist's or
15 speech-language pathologist's privilege to practice is deactivated in all member states
16 during the pendency of the order.

17 (h) If a member state takes adverse action, it shall promptly notify the
18 administrator of the data system. The administrator of the data system shall promptly
19 notify the home state of any adverse actions by remote states.

20 (i) Nothing in this Compact shall override a member state's decision that
21 participation in an alternative program may be used in lieu of adverse action.

22 SECTION 8. ESTABLISHMENT OF THE AUDIOLOGY AND SPEECH-
23 LANGUAGE PATHOLOGY COMPACT COMMISSION

24 (a) The Compact member states hereby create and establish a joint public

2 (3) Nothing in this Compact shall be construed to be a waiver of
3 sovereign immunity.

5 (1) Each member state shall have two (2) delegates selected by that
6 member state's licensing board. The delegates shall be current members of the
7 licensing board. One shall be an audiologist and one shall be a speech-language
8 pathologist.

10 board administrator from a state licensing board, shall be chosen by the Executive
11 Committee from a pool of nominees provided by the Commission at Large.

12 (3) Any delegate may be removed or suspended from office as
13 provided by the law of the state from which the delegate is appointed.

14 (4) The member state board shall fill any vacancy occurring on the
15 Commission, within 90 days.

16 (5) Each delegate shall be entitled to one (1) vote with regard to the
17 promulgation of rules and creation of bylaws and shall otherwise have an opportunity
18 to participate in the business and affairs of the Commission.

19 (6) A delegate shall vote in person or by other means as provided in
20 the bylaws. The bylaws may provide for delegates' participation in meetings by
21 telephone or other means of communication.

22 (7) The Commission shall meet at least once during each calendar
23 year. Additional meetings shall be held as set forth in the bylaws.

24 (c) The Commission shall have the following powers and duties:

15 Compact, as determined by the rules of the Commission.

17 only be available to other member states.

18 (d) The Commission shall promptly notify all member states of any adverse
19 action taken against a licensee or an individual applying for a license. Adverse action
20 information pertaining to a licensee in any member state shall be available to any other
21 member state.

22 (e) Member states contributing information to the data system may designate
23 information that may not be shared with the public without the express permission of
24 the contributing state.

25 (f) Any information submitted to the data system that is subsequently required
26 to be expunged by the laws of the member state contributing the information shall be
27 removed from the data system.

28 SECTION 10. RULEMAKING

29 (a) The Commission shall exercise its rulemaking powers pursuant to the
30 criteria set forth in this Section and the rules adopted thereunder. Rules and
31 amendments shall become binding as of the date specified in each rule or amendment.

1 (b) If a majority of the legislatures of the member states rejects a rule, by
2 enactment of a statute or resolution in the same manner used to adopt the Compact
3 within 4 years of the date of adoption of the rule, the rule shall have no further force
4 and effect in any member state.

5 (c) Rules or amendments to the rules shall be adopted at a regular or special
6 meeting of the Commission.

7 (d) Prior to promulgation and adoption of a final rule or rules by the
8 Commission, and at least thirty days in advance of the meeting at which the rule shall
9 be considered and voted upon, the Commission shall file a Notice of Proposed
10 Rulemaking:

11 (1) On the website of the Commission or other publicly accessible
12 platform; and

13 (2) On the website of each member state audiology or speech-language
14 pathology licensing board or other publicly accessible platform or the publication in
15 which each state would otherwise publish proposed rules.

16 (e) The Notice of Proposed Rulemaking shall include:

17 (1) The proposed time, date, and location of the meeting in which the
18 rule shall be considered and voted upon;

19 (2) The text of the proposed rule or amendment and the reason for the
20 proposed rule;

21 (3) A request for comments on the proposed rule from any interested
22 person; and

23 (4) The manner in which interested persons may submit notice to the
24 Commission of their intention to attend the public hearing and any written comments.

25 (f) Prior to the adoption of a proposed rule, the Commission shall allow
26 persons to submit written data, facts, opinions and arguments, which shall be made
27 available to the public.

28 (g) The Commission shall grant an opportunity for a public hearing before it
29 adopts a rule or amendment if a hearing is requested by:

30 (1) At least twenty-five (25) persons;

31 (2) A state or federal governmental subdivision or agency; or

1 (3) An association having at least twenty-five (25) members.

2 (h) If a hearing is held on the proposed rule or amendment, the Commission
3 shall publish the place, time, and date of the scheduled public hearing. If the hearing is
4 held via electronic means, the Commission shall publish the mechanism for access to
5 the electronic hearing.

6 (1) All persons wishing to be heard at the hearing shall notify the
7 executive director of the Commission or other designated member in writing of their
8 desire to appear and testify at the hearing not less than five (5) business days before
9 the scheduled date of the hearing.

10 (2) Hearings shall be conducted in a manner providing each person
11 who wishes to comment a fair and reasonable opportunity to comment orally or in
12 writing.

13 (3) All hearings shall be recorded. A copy of the recording shall be
14 made available on request.

15 (4) Nothing in this section shall be construed as requiring a separate
16 hearing on each rule. Rules may be grouped for the convenience of the Commission at
17 hearings required by this section.

18 (i) Following the scheduled hearing date, or by the close of business on the
19 scheduled hearing date if the hearing was not held, the Commission shall consider all
20 written and oral comments received.

21 (j) If no written notice of intent to attend the public hearing by interested
22 parties is received, the Commission may proceed with promulgation of the proposed
23 rule without a public hearing.

24 (k) The Commission shall, by majority vote of all members, take final action
25 on the proposed rule and shall determine the effective date of the rule, if any, based on
26 the rulemaking record and the full text of the rule.

27 (l) Upon determination that an emergency exists, the Commission may
28 consider and adopt an emergency rule without prior notice, opportunity for comment,
29 or hearing, provided that the usual rulemaking procedures provided in the Compact
30 and in this section shall be retroactively applied to the rule as soon as reasonably
31 possible, in no event later than ninety (90) days after the effective date of the rule. For

1 the purposes of this provision, an emergency rule is one that must be adopted
2 immediately in order to:

- 3 (1) Meet an imminent threat to public health, safety, or welfare;
- 4 (2) Prevent a loss of Commission or member state funds; or
- 5 (3) Meet a deadline for the promulgation of an administrative rule that
6 is established by federal law or rule.

7 (m) The Commission or an authorized committee of the Commission may
8 direct revisions to a previously adopted rule or amendment for purposes of correcting
9 typographical errors, errors in format, errors in consistency, or grammatical errors.
10 Public notice of any revisions shall be posted on the website of the Commission. The
11 revision shall be subject to challenge by any person for a period of thirty (30) days
12 after posting. The revision may be challenged only on grounds that the revision results
13 in a material change to a rule. A challenge shall be made in writing and delivered to
14 the chair of the Commission prior to the end of the notice period. If no challenge is
15 made, the revision shall take effect without further action. If the revision is challenged,
16 the revision may not take effect without the approval of the Commission.

17 SECTION 11. OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

18 (a) Dispute Resolution

19 (1) Upon request by a member state, the Commission shall attempt to
20 resolve disputes related to the Compact that arise among member states and between
21 member and non-member states.

22 (2) The Commission shall promulgate a rule providing for both
23 mediation and binding dispute resolution for disputes as appropriate.

24 (b) Enforcement

25 (1) The Commission, in the reasonable exercise of its discretion, shall
26 enforce the provisions and rules of this Compact.

27 (2) By majority vote, the Commission may initiate legal action in the
28 United States District Court for the District of Columbia or the federal district where
29 the Commission has its principal offices against a member state in default to enforce
30 compliance with the provisions of the Compact and its promulgated rules and bylaws.
31 The relief sought may include both injunctive relief and damages. In the event judicial

1 enforcement is necessary, the prevailing member shall be awarded all costs of
2 litigation, including reasonable attorney's fees.

3 (3) The remedies herein shall not be the exclusive remedies of the
4 Commission. The Commission may pursue any other remedies available under federal
5 or state law.

6 SECTION 12. DATE OF IMPLEMENTATION OF THE INTERSTATE
7 COMMISSION FOR AUDIOLOGY AND SPEECH-LANGUAGE
8 PATHOLOGY PRACTICE AND ASSOCIATED RULES, WITHDRAWAL,
9 AND AMENDMENT

10 (a) The Compact shall come into effect on the date on which the Compact
11 statute is enacted into law in the 10th member state. The provisions, which become
12 effective at that time, shall be limited to the powers granted to the Commission
13 relating to assembly and the promulgation of rules. Thereafter, the Commission shall
14 meet and exercise rulemaking powers necessary to the implementation and
15 administration of the Compact.

16 (b) Any state that joins the Compact subsequent to the Commission's initial
17 adoption of the rules shall be subject to the rules as they exist on the date on which the
18 Compact becomes law in that state. Any rule that has been previously adopted by the
19 Commission shall have the full force and effect of law on the day the Compact
20 becomes law in that state.

21 (c) Any member state may withdraw from this Compact by enacting a statute
22 repealing the same.

23 (1) A member state's withdrawal shall not take effect until six (6)
24 months after enactment of the repealing statute.

25 (2) Withdrawal shall not affect the continuing requirement of the
26 withdrawing state's audiology or speech-language pathology licensing board to
27 comply with the investigative and adverse action reporting requirements of this act
28 prior to the effective date of withdrawal.

29 (d) Nothing contained in this Compact shall be construed to invalidate or
30 prevent any audiology or speech-language pathology licensure agreement or other
31 cooperative arrangement between a member state and a non-member state that does

1 not conflict with the provisions of this Compact.

2 (e) This Compact may be amended by the member states. No amendment to
3 this Compact shall become effective and binding upon any member state until it is
4 enacted into the laws of all member states.

5 SECTION 13. CONSTRUCTION AND SEVERABILITY

6 This Compact shall be liberally construed so as to effectuate the purposes
7 thereof. The provisions of this Compact shall be severable and if any phrase, clause,
8 sentence or provision of this Compact is declared to be contrary to the constitution of
9 any member state or of the United States or the applicability thereof to any
10 government, agency, person or circumstance is held invalid, the validity of the
11 remainder of this Compact and the applicability thereof to any government, agency,
12 person or circumstance shall not be affected thereby. If this Compact shall be held
13 contrary to the constitution of any member state, the Compact shall remain in full
14 force and effect as to the remaining member states and in full force and effect as to the
15 member state affected as to all severable matters.

16 SECTION 14. BINDING EFFECT OF COMPACT AND OTHER LAWS

17 (a) Nothing herein prevents the enforcement of any other law of a member
18 state that is not inconsistent with the Compact.

19 (b) All laws in a member state in conflict with the Compact are superseded to
20 the extent of the conflict.

21 (c) All lawful actions of the Commission, including all rules and bylaws
22 promulgated by the Commission, are binding upon the member states.

23 (d) All agreements between the Commission and the member states are
24 binding in accordance with their terms.

25 (e) In the event any provision of the Compact exceeds the constitutional limits
26 imposed on the legislature of any member state, the provision shall be ineffective to
27 the extent of the conflict with the constitutional provision in question in that member
28 state.
