**A RESOLUTION**

1 **Encouraging the United States Congress and the President of the United States to pass**  
2 **and sign legislation amending the Alaska Native Claims Settlement Act to release certain**  
3 **land held in trust back to affected Alaska Native village corporations.**

4 **BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

5 **WHEREAS**, in 1971, to resolve land claims of Alaska Native peoples, the United  
6 States Congress passed, and President Richard Nixon signed into law, the Alaska Native  
7 Claims Settlement Act (ANCSA); and

8 **WHEREAS** sec. 14(c)(3) of ANCSA required each Alaska Native village corporation  
9 to convey a portion of the land it received to the state to be held in trust for a future municipal  
10 government; and

11 **WHEREAS** out of the 101 villages in which Alaska Native village corporation land  
12 has been held in trust for a future municipality under ANCSA, only eight villages have  
13 incorporated, with the most recently established municipality being incorporated in 1995; and

14 **WHEREAS** there are 93 villages that have not decided to incorporate, with  
15 approximately 11,500 acres of Alaska Native village corporation land currently held in trust

1 by the state; and

2 **WHEREAS** the requirement under ANCSA that land must be held in trust for a future  
3 municipality was drafted over 50 years ago and is now a detriment to enabling Alaska Native  
4 village corporations and communities to engage in economic development activities and use  
5 the land to its full potential; and

6 **WHEREAS** amending ANCSA by removing the requirement that each Alaska Native  
7 village corporation must have land held in trust for a future municipality will empower the  
8 Alaska Native village corporations and communities to decide how to best use the land and  
9 resources, leading to greater economic prosperity and self-sufficiency; and

10 **WHEREAS** Senators Lisa Murkowski and Dan Sullivan introduced in the United  
11 States Senate and Representative Mary Peltola introduced in the United States House of  
12 Representatives the Alaska Native Village Municipal Lands Restoration Act of 2023, which  
13 restores the Alaska Native village corporation land, held in trust for the establishment of  
14 future municipalities, to the Alaska Native village corporations;

15 **BE IT RESOLVED** that the Alaska State Legislature respectfully urges the United  
16 States Congress to pass the Alaska Native Village Municipal Lands Restoration Act of 2023  
17 or similar legislation in the 118th United States Congress that restores the land held in trust  
18 under sec. 14(c)(3) of the Alaska Native Claims Settlement Act to the affected Alaska Native  
19 village corporations; and be it

20 **FURTHER RESOLVED** that the Alaska State Legislature respectfully requests the  
21 President of the United States to sign the Alaska Native Village Municipal Lands Restoration
