FISCAL NOTE ANALYSIS

STATE OF ALASKA
2023 LEGISLATIVE SESSION

Analysis

The bill adds commercial fishing vessels with a valid commercial fishing license to the list of boats that are exempt from numbering and registration.

The proposed legislation also provides that boats exempt from registration under this section are still subject to titling requirements under AS 05.25.056(a).

This legislation proposes an annual fee of \$8.00 to be paid to Commercial Fisheries Entry Commission (CFEC) for these vessels, in lieu of paying the Division of Motor Vehicles (DMV) registration fees every three years at \$24.00 which is equivalent to \$8.00 per year.

Using calendar year (CY) 2023 through CY 2026 registration data, this bill will on average, result in a decrease of \$42,030 in revenue collected by DMV as the collection moves from DMV to another agency.
