FISCAL NOTE ANALYSIS

STATE OF ALASKA
2023 LEGISLATIVE SESSION

-

Analysis

This bill allows Alaskans serving their country in the NOAA Commissioned Officers Corps and U.S. Public Health Service Commissioned Corps to remain eligible for the Permanent Fund Dividend (PFD) if their duties require absences that are allowable for Alaskans in the other uniformed services groups. This bill also creates a new definition for the term 'uniformed services' within PFD's statutes.

This bill adds an allowable absence for merchant mariners whom are absent from the state during the qualifying year for the purposes of attending a vocational program approved by the US Coast Guard that trains students for a career in the US merchant marine program.

The Division anticipates implementing these changes with no initial or ongoing costs.
