FISCAL NOTE ANALYSIS

STATE OF ALASKA
2024 LEGISLATIVE SESSION

Analysis

This bill amends state law by increasing the penalty for individuals who manufacture or deliver a controlled substance in violation of certain controlled substance laws, and a person dies as a direct result of ingesting the substance. The bill also amends the crime of stalking to include violations of a stalking or sexual assault protective orders and creates a new crime of assault in the presence of a child.

Within the Department of Public Safety (DPS), Division of Alaska State Troopers (AST) are required to enforce state law and investigate criminal activity. The DPS does not anticipate a fiscal impact from the state laws amended in this bill and is therefore submitting a zero-fiscal note.
