FISCAL NOTE ANALYSIS

STATE OF ALASKA
2024 LEGISLATIVE SESSION

Analysis

This bill incorporates several changes to criminal statutes and procedures previously introduced as independent legislative action and this fiscal note incorporates the combined fiscal impacts on the Agency. This bill establishes a new murder charge where a person manufactures or delivers a controlled substance and a person dies as a direct result of taking the illegal drugs. The bill allows the presentation of hearsay evidence at grand jury and increases sex offender registry and makes modifications to sex trafficking statutes. Registry requirements are a significant factor in assessing litigation strategies and options for the accused and may increase the number of cases that are brought to trial rather than resolved through plea agreements. This legislation creates a two-year commitment term for individuals determined mentally incompetent to stand trial in felony prosecutions. Additionally, this bill changes replaces the term "child pornography" with "sexual abuse material."

Cases charged as high level felonies with significant penalties often result in increased litigation and pre-trial preparation that can include contested sentencing and post-conviction litigation increasing the workload and costs for the Office of Public Advocacy.

The Agency will need the following positions to address the increased workload:

Add Attorney 4 position (range 24/C, Anchorage)

Personal Services - \$184.3

Travel - \$5.5

Indirect - \$14.8

Contractual - \$27.7

Commodities - \$3.5

Add Law Office Assistant 2 position (range 13/C, Palmer & Anchorage)

Personal Services - \$178.6

Indirect - \$14.8

Commodities - \$3.5
