FISCAL NOTE ANALYSIS

STATE OF ALASKA
2023 LEGISLATIVE SESSION

Analysis

This legislation makes a number of changes which clean up statutes and create efficiencies in the system. Among the changes made in the bill are requiring consecutive sentencing when offenders are convicted of more than one crime of violating conditions of release, amending the definition of "crime involving domestic violence" to include interfering with a report of a crime of domestic violence and unlawful contact, and allowing testifying witnesses to summarize the statements of others at the grand jury phase of the case.

The Department of Law does not anticipate a fiscal impact from this legislation.
