FISCAL NOTE ANALYSIS

STATE OF ALASKA
2024 LEGISLATIVE SESSION**Analysis**

This bill adds to the list of parental rights regarding their student(s) participating in activities or classes. It directs districts to create procedures and timelines for parental notification in order for the parents to "opt in" to the activity, class, or program. In addition, the parent, guardian, or foster parent must provide a list of names and pronouns that may be used to address the child to the school district for inclusion in their school record and procedures to change that provided list.

It provides parent, guardian, or foster parent access to their child's entire school record. The bill requires districts to create policies and procedures to ensure safety and privacy for students in locker rooms and restrooms.

Additionally, as amended, it provides funding to districts when implementing this legislation. AS 14.17.420(a) adds a new subsection to update the public school funding formula to receive a 'parental involvement initiatives' funding factor of 1.005 that would follow the school vocational and technical instruction factor (AS 14.17.420(a)(3)). The projected cost of this new formula factor for FY2024 is \$5,892,818 and for FY2025 is \$5,791,158.

The effective date is July 1, 2023 (FY2024).

The funding mechanism is a general fund transfer to the Public Education Fund (PEF). The fiscal note effect for FY2024 through FY2030 is reported in the fiscal note for the PEF, as the funding is deposited to the PEF, not into the Foundation Program funding component. The above analysis is presented here for explanation purposes only.
