Approved By:	Megan Kohler, Administrative Services Director	Date:	04/18/24
Agency:	Department of Environmental Conservation		

FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2024 LEGISLATIVE SESSION

**Analysis**

HB 114 would revise the definition of “village” to include “a census-designated place” and the increase the population threshold from 1,000 to 1,500 and provides for a definition of “consensus-designated place.”

Increasing the population limit is a policy call and will not impact how the VSW program is implemented.
