FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2023 LEGISLATIVE SESSION

-

Analysis

The Alaska Military Youth Academy is the only organization within the Department of Military and Veterans Affairs with 24-hour facility operations. The program operates for two 22 week cycles annually, during which operations are 24/7. Due to the session periods, the bill will have no fiscal impact to the Department of Military and Veterans Affairs over the next five years as Juneteenth Day falls outside of the Alaska Military Youth Academy's class session during this time period. While the Academy is on cycle break, the division is not a 24-hour facility. Therefore, the Department of Military and Veterans Affairs is submitting a zero fiscal note. The department does not anticipate having a class in session during Juneteenth Day in the next five years; however, if it does occur in the future, the department estimates the average overtime needed for those employees who staff our 24-hour facilities would be around \$9.8k.
