FISCAL NOTE ANALYSIS

STATE OF ALASKA
2024 LEGISLATIVE SESSION

-

Analysis

HB 159 will add registered interior design as a professional license type under the Alaska State Board of Registration for Architects, Engineers, and Land Surveyors. The bill would increase the size of the board from 11 to 13 members and changes the board's name to "State Board of Registration for Design Professionals."

If this bill passes, one occupational licensing examiner (OLE) would be required to review and process applications.

If the bill passes the following expenses will be incurred:

Personal Services:	\$93.1 for one Occupational Licensing Examiner (range 14) in FY25 and beyond
Travel:	\$4.3 for the two new board members (two meetings and one conference) in FY25 and beyond
Services:	\$4.7 for legal costs to amend regulations, printing, and postage in FY25 only \$25.0 for core services charges in FY25 and beyond \$20.0 for legal costs related to investigations in FY25 and beyond
Commodities:	\$10.0 for one-time set up costs for the licensing examiner position in FY25 only

The approximate cost of a license cannot be calculated solely based on the additional costs identified in this fiscal note. Per AS 08.01.065(f), fees must be the same for all occupations regulated by this board. A fee analysis would need to be completed to determine the cost of a license. Registered interior designers licensed under this legislation would bear a portion of department and division overhead costs and core service charges; licensees of the other occupations regulated by this board would bear a portion of the costs in this fiscal note.

Licensing fees for each occupation are set per AS 08.01.065. The total amount of revenue collected approximately equals each occupation's actual regulatory costs. Professional licensing programs within the Division of Corporations, Business and Professional Licensing are funded by Receipt Supported Services – fund source 1156 Rcpt Svcs (DGF).
