FISCAL NOTE ANALYSIS

STATE OF ALASKA
2024 LEGISLATIVE SESSION

Analysis

HB 341 seeks to designate in AS 35.40 the Alaska Department of Transportation and Public Facilities (DOT&PF) station in Galena, Alaska as the Marvin Thurmond Galena Maintenance and Operations Station.

DOT&PF estimates that signage associate with the station naming (estimated at \$7.0) are anticipated to be covered in the next highway, aviation, or facility project. Online directories and call sheets require de minimus updating by DOT&PF staff.

With the signage costs to be covered by a future project, the department submits a zero fiscal note for this naming legislation.
