FISCAL NOTE ANALYSIS

STATE OF ALASKA
2024 LEGISLATIVE SESSION

Analysis

This bill amends criminal trespass laws and obstruction of airports and runways, obstruction of navigable water, and obstruction of highways to add or increase criminal penalties as it relates to obstructing access to public places. While this does add a new crime of obstruction of free passage in public places and expands components of existing criminal trespass offenses and obstruction of airports and runways, obstruction of navigable water, and obstruction of highways offenses, the department does not anticipate a significant impact to existing policies, procedures, or staffing and a zero fiscal note is submitted at this time.
