FISCAL NOTE ANALYSIS

STATE OF ALASKA
2024 LEGISLATIVE SESSION**Analysis**

This legislation establishes the Cook Inlet reserve-based lending fund in the Alaska Industrial Development and Export Authority (AIDEA). AIDEA has the staff resources available and experience to establish and service a reserves-based loan program. Costs associated with underwriting and due diligence would be recovered through a cost-reimbursement agreement between AIDEA and the borrower. Costs related to regulations changes would be funded using existing budget authority.

AIDEA does not anticipate fiscal impact from this legislation.
