Why this fiscal note differs from previous version/comments:

Not applicable, initial version. HCR 1 establishes in the legislative branch a joint task force on labor workforce, training, and retention that shall meet in 2023 and produce a final report with recommendations to the legislature at the start of the Second Regular Session of the Thirty-Third Alaska State Legislature. It is the sponsor's intent that any operating expenses be absorbed within existing budgets; therefore, there is no anticipated fiscal impact to the legislature and no budget requested at this time.
