FISCAL NOTE ANALYSIS

STATE OF ALASKA
2024 LEGISLATIVE SESSION**Analysis**

This legislation amends AS 44.12.010 by establishing Juneteenth Day as a legal holiday on the 19th of June. It is likely that the majority of employees covered by collective bargaining will have this holiday added to their collective bargaining agreements and that the Alaska Personnel Board adopt the holiday for partially exempt employees should this legislation pass.

The Department of Corrections manages 24-hour operations and employs Class 1 employees, defined under AS 23.400.200 as employees whose services may not be given up for even the shortest period of time. The Department's mission requires 24-7 coverage for the oversight of offenders under its supervision.

The majority of Department's employees who are Class 1 are overtime eligible, therefore the Department anticipates that the passage of this legislation will have a fiscal impact of \$525.6. This amount represents the average of three holidays including both the holiday premium pay and shift differential overtime for those employees required to work on a holiday to ensure the 24-7 coverage; correctional officers, medical, mental health, maintenance, kitchen workers, and other critical support staff.
