Approved By:	Hannah Lager, Administrative Services Director	Date:	03/03/23
Agency:	Commerce, Community, and Economic Development		

FISCAL NOTE ANALYSIS

STATE OF ALASKA
2023 LEGISLATIVE SESSION

Analysis

SB 44 revises the licensing requirements and scope of practice for naturopaths. It modernizes standards to allow greater ability to practice if the licensee has attained relevant education and training and establishes a naturopathy advisory board.

If this bill passes the division will require one long term non-permanent (LTNP) Administrative Assistant 1 to handle fingerprint cards, and two short term nonpermanent (STNP) Occupational Licensing Examiners (OLE) to re-examine all existing licensee credentials.

If the bill passes the following expenses will be incurred:

Personal Services: \$102.2 in FY24 for one long-term non-permanent Administrative Assistant 1 (R12) and two long-term non-permanent Occupational Licensing Examiners (R14)

Services: \$75.0 in FY24 for core services charges

\$2.5 in FY24 only for legal costs to amend regulations, printing, and postage

Commodities: \$30.0 in FY24 only for one-time set up costs for each position.

Professional licensing programs within the Division of Corporations, Business and Professional Licensing are funded by Receipt Supported Services (fund source 1156 Rcpt Svcs (DGF)). Licensing fees for each occupation are set per AS 08.01.065. The total amount of revenue collected approximately equals each occupation's actual regulatory costs.
