FISCAL NOTE ANALYSIS

STATE OF ALASKA
2023 LEGISLATIVE SESSION**Analysis**

This bill will increase the school district per student amounts for pupil transportation services under AS 14.09.010(a). The current projected FY2024 pupil transportation funding is estimated at \$72,568,348. This bill increases the projected funding to \$80,079,805, resulting in a \$7,511,457 projected increase in funding to school districts.

This bill takes effect July 1, 2023 (FY2024).

The funding mechanism is a general fund transfer to the Public Education Fund (PEF). The fiscal note effect for FY2024 through FY2029 is reported in the fiscal note for the PEF, as the funding is deposited to the PEF, not into the Pupil Transportation funding component. The above analysis is presented here for explanation purposes only.
