FISCAL NOTE ANALYSIS

STATE OF ALASKA
2023 LEGISLATIVE SESSION

Analysis

The bill amends the qualification criteria of an Alaska Performance Scholarship (APS) applicant by adding an option for career and technical education (CTE) to the academic curriculum, inserts a definition for career cluster, removes the minimum score on college entrance or standardized examination requirement, adds a requirement for school districts to notify students in their junior year of their progress towards earning APS eligibility, increases the annual award amounts, and provides an additional two years for students to use the scholarship after high school graduation.

Alaska Performance Scholarship Award Amounts (whole dollars)

	Current Amount	Proposed Amount
Tier 1	\$4,755	\$7,000
Tier 2	\$3,566	\$5,250
Tier 3	\$2,378	\$3,500

There is currently \$11,750.0 budgeted in the Governor's FY2024 request for the APS component.

The bill may result in a number of new students eligible for the scholarship; however, it is not anticipated that the change in award amounts would be sufficient to impact the amount identified under the seven percent calculation for the Higher Education Investment Fund (HEIF) to fund APS awards. Combined with a current decline in eligibility and use, an estimate of the change in APS awards cannot be determined. Once applications are received, a recalculation of the amount required to provide full scholarships will be completed.
